PRESIDENT’S MESSAGE

Jason Hoke

Dear GDCA Members,

With a new year begins new and fresh ideas and cooperation. I am happy to say this is the tone of the Board of Directors of the GDCA. We had a wonderful meeting in Las Vegas where not only the Board met but also we held a joint meeting with the Charitable Trust. Members from both attended each meeting and had beneficial progressive ideas to move both groups ahead. We shared thoughts on fund raising and health and research. Additionally it drew our two groups together to become more cohesive and symbiotic in their partnership.

The Trust is such a hard working group of people and I cannot encourage our members enough to support every fundraising effort not only with donations but with volunteerism. Volunteering not only applies to the Trust but also to the GDCA. As the long standing members of committees begin to desire to move on we need our members to step up and be proactive in expressing a desire to join different committees. Also we need to start a campaign to enlist the youth of our sport. I began in this sport as a child and the GDCA and our breed has given me so much. Without recruiting new young eager members our clubs and our sport will slowly decline. I ask that each of you to make volunteering and the recruitment of new members both young and adult a goal for this year.

The Board has some exciting new projects. The Standard Revision will be reviewed in February by the AKC board, if approved the Ballot will go out shortly thereafter. We also will be reviewing our new website proposal and beginning to develop a streamlined new version. Additionally the board has reduced the membership fees in the future and made provisions for All couples regardless of orientation to apply together and be recognized as such. A new policy instituted by the Board as well is the distribution of funds back to the Divisions, wherein the Divisions will receive a higher percentage of return to the Division upon reaching certain levels of profit at the National Specialty. This will greatly benefit the individual Divisions and incentivize new profit earning generators.

I have to say I am very excited about the open-mindedness of the Board of Directors and its willingness to accept new thoughts and ideas that everyone is coming forward with. This is a great time for our breed and we as a club have a bright future ahead.

STANDARD COMMITTEE REPORT
Sharon Fulford-Fint

Through no fault of this committee, our proposed revision to the standard was not placed on the January agenda of the AKC. It will, however, be on the February AKC agenda! We have worked long and hard to offer the membership the changes and the new colors and patterns, that they have waited so patiently to see come to fruition. Following the anticipated approval by the AKC, the ballot with the proposed changes will be sent to the membership.

These changes are a compilation and result of the ideas, requests and knowledge, particularly regarding Harlequin breeding, that has led us to the final product. Your patience and understanding of the required process is greatly appreciated! The Committee looks forward to a positive result from the members, so that the Judges Education Committee can begin the task of updating current and prospective judges on the new Standard. Then the Illustrated Standard will be revised and improved to hopefully include pictures rather than drawings.

I look forward to the next phase of this process and will work just as hard to produce an exceptional product that will do justice to our beloved Great Danes! Questions and comments may be directed to me at chimotxc@gmail.com, to Jason Hoke at jasonhoke@aol.com or Mari-Beth O’Neill at Mari-Beth.ONEll@akc.org.

HISTORICAL COMMITTEE
Norvel Benoit

I am mailing out boxes of materials to be scanned by 3 club volunteers: Sandee Yacklin, Tricia Marshall and Colleen Assell-Carra. The boxes contain a sampling of old GDCA Yearbooks, magazines and mixed collections of old show photographs. As Jason has suggested to me, I have instructed the scanners to focus on National and Futurity winners as well as the old Regional and articles about judging the Great Dane to possibly incorporate into judges education packet.

Once a scanned database is collected, the Board can decide how/where to utilize the information to make accessible to individuals (members and/or public).

The Historical Committee’s charter is to maintain club minutes, GDCA Yearbooks & show catalogs from GDCA events. We have a large number of these kinds of documents as well as magazines. I am looking for volunteers to participate in a project to scan and catalog the materials to make them accessible online. Members will enjoy seeing the ancestry dogs as well as articles and advertisements dating back to 1940-1950s. It will be a large effort but a fun and worthwhile one. If you would be interested in helping, please email me at ivespotteddanes@aol.com

Gebet’s Kennels in Hancock’s Bridge for over 30 years.

Betty was well respected as a judge and breeder. She judged dog shows throughout the United States and also judged at the Westminster Show in New York City. Betty Lou also worked in the physical therapy dept. at the Memorial Hospital of Salem County. Betty was a member of The Great Dane Club of PA, Gloucester County Kennel Club, Beta Sigma Phi, Eta Master Chapter of Salem, a member of the Hancock’s Bridge United Methodist Church and she was a volunteer for Meals on Wheels. BREED MENTOR COMMITTEE

Bill Stebbins

The Breed Mentor Committee is proud to announce two additional individuals that have recently received Board approval to become mentors for the GDCA. They are...

Tracy Powell (Connecticut) and Lynn Adams (Florida)

Although the primary work performed by our mentors is to assist aspiring judges that are planning to apply for Great Danes please remember that these individuals are also to be used as support mechanisms for our membership as well. All breeding programs do not necessarily produce the results which are desired by the breeder. The sport can then become a drudgery and a well-meaning individual can become discouraged and even leave the world of Great Danes. Sometimes being able to use another’s eyes to evaluate dogs can be of great benefit. Recognizing attributes in one’s dogs is fairly easy for anyone. Being able to impartially identify areas of weakness that need improvement is often not nearly as common. Find a mentor whose dogs you admire and spend a few minutes at ringside with them.

Aspiring Breed Mentors please remember that prior to applying you must have completed the same minimum experience as is required by the AKC for applying to judge your primary breed... 12+ years in the breed, 5+ litters and 4+ champions.

Remember these are MINIMUMS and the Breed Mentor Committee would usually expect “heavier” experience and accomplishments before approving an application. Once approved your application is sent to the GDCA Board for final approval.

Have a great 2018.
Please check the GDCA website http://www.gdca.org/mentorslist.html for a complete list of Breed Mentors.

If you are interested in becoming a GDCA Breed Mentor, please contact Bill Stebbins cherdane2@comcast.net for the requirements and form.

HELPING OUR OWN
Bill Stebbins

The Helping Our Own program was developed about 7 years ago. It is designed to assist GDCA members with aspirations of becoming a judge to obtain Sweepstakes assignments. Most of the GDCA affiliate clubs are now using the list for this purpose. We encourage any clubs that may not be using the list to do so. You will be assisting our next generation of Great Dane breeder-judges to achieve their goal.

The list can be accessed on the GDCA website. Go to the heading “Shows” then click on “Sweepstakes Judges”. Your involvement and support of the members of the GDCA is greatly appreciated. You can find the current list on line here: http://www.gdca.org/helping-our-own.pdf

JUDGES EDUCATION COMMITTEE
Bill Stebbins, Co Chair

Since our last Bulletin the GDCA has presented three Judges Education seminars. The first was at our National in October where we had 15 attendees including 3 foreign judges. The educational venue for judges which the GDCA offers is simply not available in other countries. It is not uncommon for a foreign judge to attend a seminar at our National.

We then did one in Orlando in conjunction with the AKC National Championship weekend (formerly known as Eukanuba). We had 22 registrants. A big thank-you to Lynn Adams for assembling a wonderful class for the hand’s-on portion of the program.

The third presentation was in Portland in January which was presented by Jane Treiber. We appreciate Jane’s continued efforts to support the educational venues for the GDCA. We will continue to call upon her services when needed. A special thank-you to Georgia Hymmen and Jamie Harshfield for their on-going support of our educational venues. There were 18 judges in attendance and Jane’s report indicated that it went very well.

As always I will remind all of you that are aspiring breeder-judges that you must attend a GDCA approved Judges Education program prior to submitting your application. Also, you should attend a seminar no more than about 12 months before you intend to actually apply for your judging approval.

The PowerPoint presentation which is used at our Judges Ed seminars is now on the GDCA website under Judges Education.

Have a great 2018.

Please contact Bill Stebbins cherdane2@comcast.net if you have any questions.

Agility
Compiled by Traci Rinaldo

Trial Dates 1/1/2017 – 12/31/17
Agility scores as reported directly from AKC. Please check AKC website to verify your information.
Rankings are based on regular classes only; using the formula (QQ’s x 10) + points for master/excellent class, and Average score/Average speed (yps) for other classes.
Premier, FAST, and T2B listings are for information only. Only dogs with more than 1 score are included in the ranking calculations.
