SECRETARY'S REPORT*Wanda Hepler***Affiliate Club Rosters—**

Please make sure we have your most recent club roster on file. That way your club will receive important notices and ballots. To update your club roster, use the standardized form found on the GDCA website under the affiliate club tab to submit. We require that **all** clubs use this standardized form when sending in your annual rosters. The direct link is: <https://gdca.org/the-gdca/affiliate-clubs/>

Affiliate Club Specialty Approvals—

As a reminder, **ALL** affiliate club specialties require GDCA approval to gain approval from AKC. To obtain GDCA approval, your club's dues need to be paid and a current year roster of members and officers must be submitted along with the request which includes the **dates** and **Location** of the specialty to: **Wanda Hepler** heplerdanes@gmail.com

Please note: It is up to the affiliate club to submit their request for GDCA approval to us. The process is not automatic and AKC does not notify us of your event application.

Affiliate Club Specialty Promotion—

To promote our Affiliate clubs and their specialties, we encourage your club to send a JPEG-ready flyer that can be posted to the GDCA Facebook Page! We just require that your premium list is available so that anyone interested can obtain complete information regarding your show. We advise **NOT** using any personal phone numbers on the flyer because the Facebook page is a public forum open to all.

GDCA AFFILIATE NEWS*Linda Cain*1. Affiliate Club Bylaws - GDCA Review

The following clubs have had their updated bylaws reviewed and approved by the GDCA:

1. Illini Great Dane Club
2. Great Dane Club of New England
3. Wolverine Great Dane Club

One club had their bylaws reviewed, but there are some updates that are to be completed at the request of the AKC. Once the AKC changes have been made, GDCA will review them for approval.

2. Zoom or Teleconference Meetings - Specific AKC Approved Wording

Received this information from AKC's Sample Constitution and Bylaws that is available to all clubs as a format template and guide for all bylaws:

"meetings of the club may be held each month (or as frequently as is necessary) by methods {In accordance with State Law - such as electronic, virtual, teleconference or methods as may be developed}" This same wording should be used in Article II, Meetings and Voting, Sections 1, 2, 3 and 4.

Please know that AKC provides guidance on what should/must be in your bylaws. (Checklist for Bylaws, Example of correct bylaws) If you need information please ask.

3. AKC Great Dane Standard has been put on the GDCA website.

4. The GDCA is reviewing clubs that may not have as many members or are close to the required number of members. GDCA will be sending out emails asking how we can support your club in getting new members or things that you club may be able to do to increase your clubs membership. It is clear to the Board that there are some clubs who have many members but only a handful that may be available to help with club functions such as a Specialty, also some clubs that may only have 10-15 members and some of those members are unable to help with club functions.

5. The GDCA has been gathering information on Affiliate Clubs and the dates of their Specialties to

determine if there is any conflict on same dates that are possibly making the entries lower. More to follow on this topic.

6. The East Division elected the following individuals for the East Division National Directors, Secretary and Treasurer. They are:

Division Show Chairperson: Laurie Maulucci
Division Show Chairman: Jeffrey Ball
Division Secretary: Tiffany Cross
Division Treasurer: Kira Wright

A huge thank you to those who volunteered for these positions.

7. The South Division has had an email sent to all South Affiliate Clubs asking for their clubs selection for Division Club Representatives (DCRs).

8. The North Division is working hard on getting the North Division National set up. Committee Chairs have been selected. Working on asking for more volunteers. The GDCA Website has been updated for the 2024 North National and the 2024 National Store is in the process of opening all areas. More to follow.

A huge THANK YOU to Joy Lobato and Jason Hoke and all the volunteers for stepping up to the plate to get things done. We could not do this without you all.

Wishing everyone a wonderful Spring.

Thanks for taking the time to read this. If there is anything I can do to help your club, please ask. If I don't know the answers, I will find the answers.

BREED MENTOR PROGRAM*Bill Stebbins*

I hope this message finds you well. I want to make my monthly reminder that those breeders that are members of the GDCA who feel that they can contribute to the education and guidance of future judges and/or newer members of the world of Great Danes may wish to consider becoming a breed mentor. The breed mentors are the gatekeepers for our breed and their involvement in helping others understand the Great Dane is of paramount importance to the future of our beloved Danes. If mentoring is a responsibility which you feel you would enjoy, please contact me and I will send you the necessary forms to complete.

To access our current breed mentor membership go to the GDCA home page. Click on the column titled "The GDCA". A pop-up menu will show on your screen. Click on "Breed Mentors"

HELPING OUR OWN*Bill Stebbins*

Many of the readers will, at some time, consider applying to judge the Great Dane. One of the primary requirements on your initial application is hands-on ring experience. This would include owner-handling, stewarding and, most importantly, judging sanctioned fun matches and Specialty Sweepstakes. Judging experience is probably the most important credential for your application. I put together the Helping Our Own program about 20 years ago and the majority of our Specialty clubs are now using this list to select their Sweepstakes judges. The AKC has always wanted a new applicant to have a minimum of 6 judging experiences. The more you can accumulate the better. Of importance, the AKC counts Sweepstakes as two assignments. If you someday decide to apply to judge Danes please consider having your name added to the Helping Our Own list on the GDCA website. You can send me an e-mail with your name, kennel name, e-mail address and phone number at cherdane2@comcast.net.

BREAKING NEWS

ON THE COED OSTEOSARCOMA RESEARCH

The Charitable Trust will subsidize the cost of the blood draws for those who have been accepted into the study on early risk detection and risk assessment of canine osteosarcoma.

Please submit your paid invoice to Darryl Pitts at GDCA.COED@gmail.com. Reimbursements will be up to \$75 for the cost of the blood draw.

Our sincere gratitude to everyone who participates and to Dr. Pitts for being the gatekeeper of this program.

You may still apply to participate if you meet the following criteria. You Great Dane must:

- Be at least 4.5 years old
- Be currently healthy: no cancer, no undiagnosed “lumps or bumps,” (including inside the oral cavity), no serious chronic health conditions—and still have their spleen
- Never have been diagnosed with any cancer
- Live in one of the contiguous 48 states of the United States of America (samples from Alaska and Hawaii, and international samples, including from Canada and Mexico, cannot be accepted due to shipping constraints).

Owners who are interested in having their dogs participate in this study should visit <https://z.umn.edu/COED> to fill out an eligibility study. You will be notified if your dog is chosen.

NOTE: The COED study is not intended as a diagnostic for disease. It is an experiment to determine whether the blood/plasma/serum test can be used as a tool for early detection and risk assessment of osteosarcoma. Neither owners nor veterinarians will receive a diagnostic report.

**Osteosarcoma is a horrible killer of Great Danes.
We need to find the answer. PLEASE help us.**

Dr. Modiano is conducting research on six breeds to find this cancer before it happens. In addition to Great Danes, he is studying Irish Wolfhounds, Leonbergers, Golden Retrievers, Irish Setters, and Rottweilers.

Each of the six breeds in the study has an equitable target quota. However, Great Danes are well below ours. **If we do not meet our goal, other dogs will enter the study at our expense!!** If you have a Great Dane that meets the criteria, please consider participating. **We desperately need your help.**

If you have a healthy dog over 4-1/2 years old with no chronic illness, no cancer and no undiagnosed lumps and bumps, please consider applying. Please do not apply if your dog doesn't fit the criteria. Apply to: <https://z.umn.edu/COED>. Questions to: Mitzi Lewellen, lewel001@umn.edu

We will subsidize the blood draw by your vet. **Please submit your paid invoice to Darryl Pitts at GDCA.COED@gmail.com. Reimbursements will be \$75.**

We are pleased to announce that the Great Dane Club of America and the Great Dane Club of America Charitable Trust are continuing the \$75 reimbursement for echocardiograms for **GDCA** and **Affiliate Club Members** for exams performed in 2024. Guidelines for participating are listed below. We would like to thank Darryl Pitts for taking the helm as the gatekeeper for this program.

1. The GDCA Charitable Trust will reimburse (subsidize) OFA advanced cardiac (echocardiogram) studies for **GDCA** and **Affiliate Club Members** in the amount of \$75.

4. Echocardiograms performed at GDCA National will be excluded as they are already subsidized and offered at a reduced rate to participants.
5. Send a copy of receipt, OFA application, and mailing address for receipt of check to Darryl Pitts at ECHO.GDCA@gmail.com. If you are not a GDCA member, please indicate your affiliate club membership.
6. Processing of checks will be done quarterly. We would appreciate it if you could be timely in cashing your checks. Thank you.

Ear Cropping Externship / Scholarship Program

The GDCA will continue participation in this program as offered and managed by the Doberman Pinscher Club of America. The GDCA will offer up to 4 scholarships per year. Please see link for further information and guidelines for participation: <https://dpca.org/breed/crop-grants/>

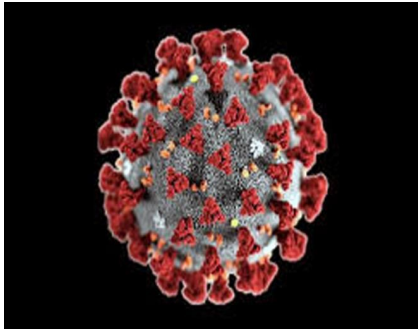

Coat Color Inheritance Guide (formerly known as Color Code)

The committee is actively working on production of guides to assist breeders in utilization of available color testing and how to navigate and understand the results. Stay tuned for future presentation and availability of this valuable information.

Preliminary Proposal for New Study—Post-Operative Bleeding in Great Danes; Testing and Potential Prophylactic Treatment

Post-operative death has long been recognized as a major cause of death among Great Danes, having been documented as the 9th most frequent cause of death (including both sexes) and even more common among females. There is little reason to believe this situation has improved. In fact, these death rates may have increased, owing to increased number of elective c-sections, spays, gastropexies and orthopedic surgeries since the 2000 GDCA National Health Survey of over 1560 Great Danes. I am pleased to announce that the GDCA board has approved our preliminary proposal for this study and we are making progress in moving forward with this study. Stay tuned for further information!

IMPORTANT REMINDER:

Education Grants Available to Affiliate Clubs

New research, trends, and protocols available to all Dane breeders and owners address the health, happiness, and longevity of our dogs. With many dog shows and busy calendars occupying most of our free time, we may be unfamiliar with what is available to us! The ability to attend classes or seminars is definitely impacted by our chaotic schedules and active lifestyles.

Affiliate clubs are encouraged to apply for grant monies offered jointly by the Great Dane Club of America and the Great Dane Club of America Charitable Trust set aside for the specific purpose of providing educational opportunities to its members and the Dane fancy. Perhaps there is an open date on the club calendar in which an event could be scheduled. New knowledge can only make us better dog owners for our beloved Danes, treasured members of our families.

Attached to this message is an application to request some funds for your affiliate club. We hope you will consider working an educational event into your club's busy schedule.

Any variance from this agreement may result in the forfeiture of any and all funds provided and will be returned to the GDCA Charitable Trust upon request.
