### **D. Conditions**

1. The Futurity is open to member breeders (and members of their immediate families) in good standing with the GDCA or one of the Affiliated Clubs and AKC. Where the nominated bitch is co-owned, one co-owner must be a member of the GDCA or one of the Affiliated Clubs at the time of breeding. Any member whose membership in the GDCA has been revoked for misconduct is not eligible to enter the futurity.
2. Bitches may be nominated at any time between the breeding and whelping dates. The exact date for the beginning and ending of nominations will be determined by the actual date of the Futurity or by the Futurity Committee.
3. All dogs are made eligible for competition before they are born; however, it is only through the bitch that they are made eligible. Nominations of bitches must be made after the bitch is bred and before the bitch whelps. Only puppies whelped by nominated bitches after the date of nomination are eligible. The date of the Post office cancellation stamp on the envelope will determine the date of nomination. A fee set by the BOD shall accompany the nomination of each bitch.
4. Puppies from litters whelped by nominated bitches are eligible even though sold to a new owner between the whelping date and the date of the futurity. The new owner need not be a member of the GDCA or one of its Affiliated Clubs, providing the nomination of the bitch was made by a member breeder.
5. Upon verification of eligibility, the breeder will be sent a form on which to nominate individual puppies from the litter. A fee set by the BOD is required for each puppy nominated from each litter nominated (there is no limit on the number of puppies nominated from any one litter). However, the nominations must be made before the litter is three months of age.
6. An additional fee set by the BOD will complete each individual nomination. This will be done on a separate nomination blank by the 3<sup>rd</sup> Friday in August, at which time all identifying information must be

given (name of puppy, litter registration number or individual registration number, name of actual owner).

7. Puppies from three months of age, and under twelve months of age, shall be required to compete only against each other. Similarly, Juniors from twelve months of age, and under eighteen months of age, shall be required to compete only against each other. Puppies and Juniors shall compete only against each other, as provided in these Conditions.
8. If a change must be made to the show date, then the original date shall be the one used in determining eligibility of nominees. Should the show date be set after the original date, then the age limit shall be increased to take care of the differences in time from the original date to the revised date, and the nominees affected shall still be eligible for competition in the Junior classes.
9. Nominations of bitches and nominations of puppies must be on official forms supplied by the National Futurity Chairperson and must be accompanied by checks or money order made payable to: The Great Dane Club of America, Inc. Credit card payments will be accepted via the GDCA store for on-line entries.
10. Entry fees will be retained in the event a nominated bitch or puppy is found to be ineligible under the above conditions.
11. Best in futurity winner will be presented at the beginning of the Top 20 event.

3. On the Second Nomination of the puppies (prior to 3 months of age), list the puppies to be nominated with sexes and colors of each, as usual.
4. Each (and every) Third Nomination of the puppies (for multiple-sired litters only) that will be entered in the Futurity ("the entry form") must have the sire listed thereon and must be accompanied by the official AKC DNA proof of the sire. **NO ENTRY FORM FOR A MULTIPLE-SIRED LITTER WILL BE ACCEPTED WITHOUT THE AKC DNA PROOF ATTACHED.**
5. It is the Breeder/Owner's responsibility to provide this proof.
