

Great Dane Club of America

From the President

Dear Friends and Fellow GDCA Members;

In preparing this first letter to you it occurred to me how truly lucky I am to serve the breed I have loved most of my life. I am fortunate to follow two outstanding Presidents, Linda Ridder and Jane Chopson. Both are still serving on the board and I am glad to still have their advice and counsel.

The South East Division was thrilled to host the 2009 National. We hope you all had a good time in Chattanooga. As the Southeast Division Chair I am very proud of the show put on by our volunteers from the division as well as all the help from our friends throughout the country. Thank you for coming and making this national one of the best

attended in GDCA history. Our futurity entry was the largest we have on record. Rally and Obedience drew over 100 entries and our conformation event drew 568, with 132 specials. Jay and I look forward to seeing you all in Sunny Arkansas next fall where the South Central Division promises us yet another great national Specialty.

One of my goals is to make certain there is a place under the big tent which is the Great Dane Club of America for all our present and future members and to always give thoughtful consideration to everyone's point of view. Our common mission is the betterment of our breed, improving the health and longevity of our Danes lives without losing the aesthetic qualities we all hold dear.

In celebrating all those who won in Chattanooga and the Danes and Dane Breeders who accomplished the most for the past year, I missed what is one of the most important awards. Since 2006 The OFA has handed out the Champion for Health Award. The Rationale for the Award is on our website as are the qualifications of the 2009 OFA Great Dane Champion for Health CH. Windy Hill's Kodak Moment, Shane. (CHIC# 20068). Shane

was owned by Ray and Betty Streeter and Mary Barnett and was bred by Mary Barnett. It is so important for the betterment of the breed that our great producers are healthy, with good temperaments and exhibit great breed type. It is obvious that Shane possessed all of these. Ray, Betty and Mary, I am sorry you lost him and I hope you know that all who read this will help celebrate his life.

I would like to thank Lourdes Carvajal for her outstanding commitment and service as an officer and board member of the GDCA for that last nine years. I know of no one who cares more about our Danes. I and the rest of the Officers and Board of Directors would like to welcome Doug Toomey. He will be a great addition. We welcome his experience in all things Great Dane.

At our January board meeting we will be tackling the National Specialty Rules and Regulations for two days and have asked all Division Chairs to attend. Please contact your Division Chair if you have any suggestions. As always you are welcome to attend.

Dave

AFFILIATE CLUB REPORT

At the October meeting the Board approved the bylaw revisions for the Great Dane Club of Central Pennsylvania.

The Affiliate Delegates meeting was held on October 19th in Chattanooga, TN. Among the topics covered was a concern about signatures on the ballots submitted by the Clubs. In order for ballots to be counted the correct Secretary must be on record with the Treasurer, Affiliate Club Representative and the Corresponding Secretary. Please make certain any changes to your club's roster are forwarded in a timely manner.

This is my last year as Affiliate Club Representative. I am including the process and timeline for the election process. Please start thinking about potential nominees for this position. If you have any questions please feel free to contact me (diannepowers@comcast.net)

Election of the Affiliate Club Representative:

The ACDC secretary, during the election year, shall receive and accept written nominations for the office of ACR. Such nominations must be submitted before August 15 of the election year, accompanied by the written consent and signature of each nominee.

The name of any affiliate club member, who is also a member of the GDCA, in good standing

with his/her affiliate club and the GDCA, can be placed in nomination.

The ACDC secretary shall mail the list of such nominees and a voting ballot to each Delegate by August 27 of the election year. It will be the Delegate's responsibility to present the slate to his/her club for consideration/direction of the election of one (1) candidate. Each Delegate will then mark the ballot, sign same and have the affiliate club secretary certify the ballot by signing the front of the ballot before it is placed in the envelope and sealed. The ballot must be returned to the ACDC secretary before October 10 of the election year.

The ballots **MUST BE SEALED** if more than one candidate is nominated.

NOTE: If the ACDC secretary is one of the nominees, another person shall be appointed by the ACDC to perform all functions for the election normally performed by the secretary.

The counting of the votes to verify election results of the ACR shall be done by the ACDC secretary (or acting secretary) in the presence of a Notary Public. Said secretary shall immediately inform the ACR of the results so the ACR can then notify the Delegates, newly elected ACR, and the GDCA secretary of the ACDC choice for Representative.

No person shall serve more than three (3) consecutive three

year terms as ACR.

RESCUE REPORT

First and foremost, a huge Thank You to Mary Barnett Reed for her years of service as the Rescue Committee Chair and for all her assistance to me and we transitioned over.

I'd also like to thank everyone for the wonderful support of our Raffle Table at the National this year. The money raised will go a long way in helping those Danes in need.

And last but not least, to everyone for their contributions to the Charitable Trust in the name of Rescue. The Charitable Trust was able to award 39 grants to our various rescue groups and clubs this year to assist with veterinary bills and insurance.

This past year has been especially hard on all our rescue committee member groups. The economy has caused a large increase in the number of people unable to keep their beloved Danes and everyone is working hard to try and assist them. In total our groups took in 1312 Danes this past year. If anyone is interested in the breakdown of color and ages, please let me now and I'll be happy to send you the total report.

Again, my thanks to everyone for all you do for our beloved breed.
