

GREAT DANE CLUB OF AMERICA

Est. 1889

Dear Friends and fellow members.

The club is in need of a webmaster for the GDCA website. That person will be responsible for maintaining the updates on the website in conjunction with the internet chair. Knowledge of Dreamweaver software is essential as is some familiarity with how websites operate. Time estimates are difficult but four hours or more weekly and more during the national etc. Please let me know if you are interested.

The South East Division's annual Fundraiser to benefit the Great Dane Club of America Charitable Trust was held at the beautiful home of Mario and Anne Marie Gatto in Ocala, Florida on January 12th. The event was sponsored by the Gatto's, Steve and Jody Hill and Jay and I. Many thanks to all who attended and to those who sent donations. Thanks also to the Board members and Officers who made the three hour round trip from Orlando to attend. Jay represented the Trust and the event raised about \$5,000.00 and it is still coming in.

We are coming up on a new election cycle for officers and board members. If you are interested let the nominating committee know. The committee will be formed in April and will be published on the website. The best way to effect change is to get involved. **Every part of the Great Dane Club of America is accountable to the membership, make your opinions known.**

The board has placed the responsibility for judge's selection

on the division chairs and they will be responsible for its execution during the year of their national. The Division Chair cannot show or judge at their national and both have been a problem for past chairpersons.

Please follow the link below and fill out the updated Great Dane Health Survey which was put together by the GDCA Health and Welfare Committee and the OFA. It is important so we know best where to spend our money.
http://www.offa.org/surveys/survey_greatdane.html

Several years ago we learned that in order to have Harlequin Danes there had to be Merles in the Harlequin breeding program. I know many of you surmised that long ago. However, since that is the case why not allow Merles to be shown? The community can write the color description and we can have more beautiful Great Danes to look at in the ring and maybe fewer in rescue. This is not the opinion of the BOD; I did not ask them formally, I am strictly responsible for this suggestion.

Please help me also thank the members of the Great Dane Club of Northern New Jersey for their work in the Meet The Breed booth in New York City in October and to the Southeast Division members for their work at the Meet The Breed Booth in Orlando in December where we won a working Group 3rd in the booth competition. We also made the MTB video broadcast on Saturday February 2nd on ABC
 What do you think?

GDCA AWARDS PROGRAM
JANUARY 2013
HALL OF FAME

Before we get into the discussion of the producer portion of the Hall of Fame I would like to recommend an addition to the 100 Point Qualification section. Currently there are points assigned for BISS or Group 1 (5pts) and any all breed BIS or National Specialty BOB (10 pts), but no credit for winning the Top Twenty. My recommendation is that the Top Twenty be included in the 10 point section. There are other sections that still need to be reviewed and for that purpose I will form a committee comprised of performance and conformation representatives

Regarding the producer section of the Hall of Fame and the immediate request to adjust the stud dog/brood bitch numbers, with the help of Jane Chopson, Dale and I have identified, with as much accuracy as we can, the categories represented by the dogs that have been inducted into the HOF. There are a couple of questions remaining, but for this exercise those variables should not make a difference.

Of the 38 identified as having qualified as producers, 32 are fawn and 6 are brindle. There are no Black, Blue, Harlequin or Mantle producers of record within the Hall of Fame.

To look a little deeper into the numbers I looked at the Futurity for 2012. There were 152 nominated litters. Of those litters

the breakdown of Sire/Dam colors is as follows:

- Fawn - 83 sires/78 dams
- Brindle - 12 sires/19 dams
- Harlequin - 29 sires/20 dams
- Mantle - 8 sires/13 dams
- Black - 12 sires/13 dams
- Blue - 9 sires/10 dams

To date, the number of puppies from the 2012 futurity that have finished are 6 fawn, 1 harl, 1 mantle and 1 black. These numbers simply reinforce the knowledge that the fawn is far and away the most popular color in our breed.

Although we do not see any Blacks or Blues in the Hall of Fame, the Harlequin and Mantle still appears to be at a disadvantage due to the percentage of show marked puppies in any given litter. Theoretical distribution by color in a harl to harl litter is 25% harl, 25% mantle, 25% white and 25% merle. The percentage in a harl to mantle litter would result in a slightly higher percentage of harle and mantles. Neil O'Sullivan has told us that these theoretical percentages have been proven. Using this information, and using 55% as a defensible correction factor the number of champions for a harl /mantle stud would be 16.5 (if 100% = 30, then 55% = 16.5).

Based on this information it is our recommendation that the number for fawn and brindle producers remain at their current level (30/10) and reduce the

number for the balance of the colors (harlequin, mantle, black and blue) to 16/6.

AWARD CERTIFICATE
VENERABLE DANE

The Venerable Great Dane award is available to Great Danes of 10 years of age or older.

It may be applied for and awarded while the Dane is alive, or after he or she has passed away.

The owner must be a member of either the GDCA or an Affiliate Club and they must provide reasonable proof of the dog's age.

Applications for this award can be found on the GDCA website at: <http://www.gdca.org/forms/awards-form.pdf> If you have additional questions please contact diannepowers@comcast.net

I will explain additional awards available in future bulletins.

**GDCA
CHARITABLE TRUST**

The Great Dane Club of America Charitable Trust supports a variety of different projects including Rescue, College Scholarships for Juniors and Breed related Health research.

As you may know the Trust was honored last year when the Carmody family established the Carmody Scholarship fund with us to benefit the youth of our sport. We are pleased to announce that the winner of the first annual Carmody Scholarship was Kaitlyn Mulien. Congratulations Kaitlyn.

Currently we are funding three import research projects. The mapping of the Great Dane Genome project is one which can be anticipated to provide much important data to assist future researchers in exploring the causes of deadly problems like Cardiomyopathy. We are also involved in two other important studies involving Wobblers and Megasophagus in Great Danes.

The Great Dane Club of America and the Charitable Trust have provided significant funds toward these studies. The Wobblers study is scheduled for completion in 2013 and we will be sharing the results with all of you as soon as we get them. Studies like this are expensive endeavors and could not be done without the generous support of donors.

The Trust recently benefited from a fund raiser hosted by the SE Division during the Florida circuit. Those attending enjoyed a wonderful party while also helping Great Danes. Bravos to the SE

Division who raised close to \$5000 from this event.

In other news the Trust was excited to learn of a very recent donation of \$25,000 earmarked for our Rescue Program. The generous donor wished to remain anonymous but we would like to publically thank them for this tremendous gift. It is gift that will benefit many Great Danes.

The work of the Trust is only possible with your support. Please consider the Trust when making your Charitable gifts this year.

**SOUTHEAST
FUNDRAISER 2013**

The second annual S E Division Fundraiser to benefit the GDCA CT was held on the evening of January twelfth at the gorgeous horse farm of Annmarie and Mario Gatto in Ocala, Florida. It was hosted by the Gatto's, Steve and Jody Hill, Dave and Jay Miller but this night was a true group effort. The gathering was just plain fun and there are so many that came together to make our event successful. The buffet dinner and bars were set up poolside on a perfect Florida Winter night. Annmarie served the 50+ guests from large silver chafing dishes that kept dinner warm or cold as needed. She made it all look effortless. All the preparations started early in the day with Jody, Annmarie, Jay, Martha Davidson, Pam Chundrlek [who we have now adopted from the Central Division] all pitching in to get the job done.

Meanwhile over in Brooksville Lyn Pizzino whipped up some of

the great food she is famous for, Connie Cordill deviled her wonderful eggs and Jerry picked up the beer and wine for the Hills and Millers and drove it over to Ocala.

While on the subject of food we sure want to thank the GDCMF for sending the leftovers from their Specialty luncheon. Also, to the Specialty Judge Mr. M.J. Cohen our sincere gratitude to you for honoring our cause with the donation of your fees.

Our raffle was set up and run by the very capable Linda Landrum with the help of Pam

Deloria and Lori Cornelius. Big hugs to all who donated including the professional

handlers who contributed their services and the vendors like our friends Lorraine Rainwater, Gloria Bachelor and Pam Deloria who donated from their inventory to help make money for the CT.

The main event for the evening was the auction spear headed by auctioneers; Ray Streeter and Chip Rainwater with help and modeling by the totally funny and adorable "Gabbiliious" aka Gabrielle Raborn. She is a hoot and we hope to see more of her "work" at the National in 2016. We also would like to thank the GDCA BOD members who drove all the way down from Orlando where they had their meeting to join us. It was great to have you as our guests.

We received contributions from not just the SE but from people all over who wished to help the Trust and to all of you our most heartfelt gratitude.

These online surveys do have their limitations, bear in mind. They must be formatted to avoid text answers and only certain parameters, a certain length (which restricted the number of questions) are possible; so certainly not every issue of all will be addressed with complete satisfaction. Plus there isn't true scientific rigor when it comes to the sample being unbiased. That said, I do feel the major issues and areas are addressed adequately. And given we get a large enough number of respondents, we should at least be able to "take the breed's temperament" (so to speak) as to majors concerns of health & welfare.

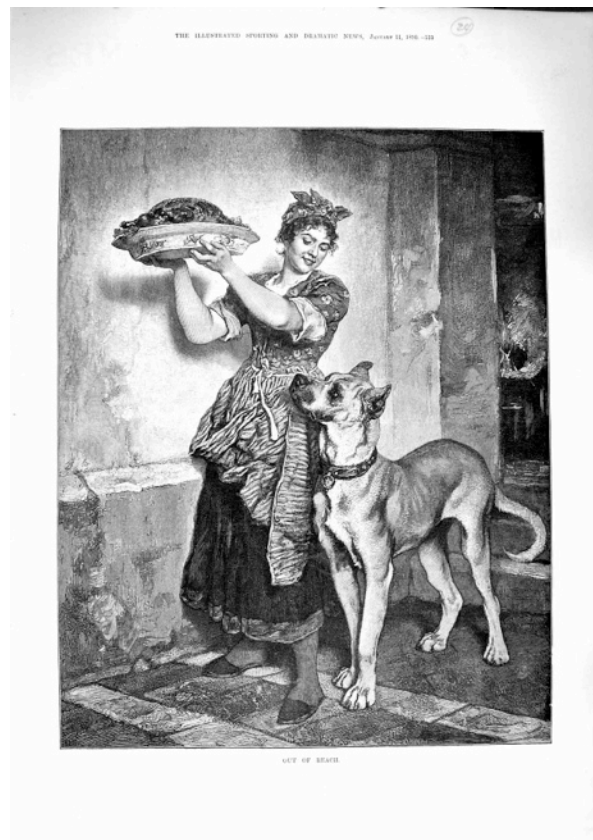

This will both allow to better direct research where choices exist, help with education efforts where relevant, and even provide the basis for a more formal health survey.

It's been more than a decade since a health survey has been done on our breed. This one is free, another pioneering program offered by OFA. Note please I insured this survey is open to ALL Danes worldwide, not just AKC Danes. So please take the time to fill out the survey. Thank you. "jp"

HEALTH AND WELFARE

As some of you may know, OFA/CHF offers a free online health & welfare survey to CHIC breeds like ours. For the past year I have been working with Eddie Dzuik & Robin Nuttall to produce such a survey for the Great Dane. This is now active & I invite all Dane owners to go to this link & answer the survey for each Dane they have owned:

CHECK OUT THE VETLINKS PAGE ON THE GDCA WEBSITE

We have a special request from Mary Ann Land who is maintaining a Vet list on our website to enable travelers or persons new to an area to find a qualified Great Dane Veterinarian. Please go to the website, print out a form to take to your vet and submit to Mary Ann to put on the website. It could save a dog's life!!! <http://www.hmgdc.org/VetLinks/>
