

#### Dear fellow members;

Kudos to the Northeast Division and congratulations to all the winners from the National (full list included in this Bulletin). Any National is the culmination of hard work by many. Under the leadership of Dr. Louis Bond and Rita Suddarth the Northeast team went above and beyond to provide a great National for all of us. I hope you are all enjoying a well deserved rest and just want to say 'Job well done'.

I am honored to have the opportunity you have given me to serve as President of the GDCA. I hope you will join me in thanking outgoing Board members Dave Miller, Sharon Fulford, Paul Hardiman, Teri Holle, Tom Sandenaw and Angela Stilwell for their service and dedication to the Board and the fancy. Additionally I know the balance of the Board joins me in welcoming incoming Board members Cindy Harwin, Jason Hoke, Teresa LaBrie, Bill Stebbins, Marsh Stoner and Susan Yotive. The first action of this new Board was to agree to and sign a Board Members Code of Conduct/Roles & Responsibilities Pledge. Contained in that document is the commitment to "...ensure that the GDCA is well maintained, financially secure, and

operating in the best interest of those we serve." We invite you to contact any one of us with questions, concerns or suggestions. Our contact information is included in this Bulletin.

When I returned home and was greeted by my two "best friends" I was reminded once again how fortunate we all are to share our lives with these special dogs. Too often we get caught up in issues and arguments about perceptions, personalities or politics and we forget who has brought us all together in the first place....our beloved Great Danes. We forget the most important thing at the end of the day, which is the soft look or wagging tail of the ones this is all about. I hope you all will join me in continuing to be the people our dogs believe we are.

Total entry 331 - (171 dogs, 160 bitches). This year there are 78 qualifiers for the CHIC Challenge trophy (up 77% from 44 last year).

Below are the calculations for this year's Futurity Check from Purina. According to Carol this is the biggest check we have received

since the inception of the program. Unfortunately as you know, this program is being phased out, although we will receive a check in this same amount in 2014. Purina will continue to support the Futurity in other ways.

## Northeast Division Report on the National Specialty 2013

You were the secret ingredient for our magic potion. You provided the "Open Sesame!" to our treasure trove. Your tremendous turnout to the Northeast hosted National Specialty in 2013 made our week!

We had more than seven (7) times the number of entries required for a major in both dogs and bitches. Our BOB judging was maximized. The obedience, rally, and agility entries are growing. And we had a fabulous Futurity with 331 total entries! What a testament to our breed and your dedication to it to have such a tremendous turnout. From Saturday's impressive performance Invitational to the glamour of Top 20 to the excitement of Casino night, we certainly packed the most activity into the post-judging evening hours. Amazingly, everyone made his/her ring time! Of course, as with any complex event, there were some glitches, and we certainly appreciated everyone's patience with

challenges. We thank the exhibitors for weathering unexpected events with style and grace (plumbing main break, anyone?) A gigantic entry led to late starting evening events, but we were all there for the dog show as part of the itinerary. Thank you to the Northeast Division team, led by Chairman Dr. Louis Bond, Show Chairman Rita Suddarth, Division Secretary Sue Davis Shaw, Division Treasurer Eve Wiliams, to the amazing Committee Chairmen, and to all of the countless volunteers who worked tirelessly not only during the week but in the years leading up to the event. We look forward to conjuring up the magic again in six short years!

#### **GDCA RESCUE REPORT**

Our Year End Statistic Report

Listing of Groups providing Statistics and their individual totals

Listing of all grants processed this year available on request.

The basics didn't change with the Harle family having the most coming into rescue. Along with the 1 to 3 year olds. However I found interesting that the Blacks had a large increase over previous years, as did the numbers of puppies and seniors coming into rescue.

We also had three new members join our committee:

From the GD Club of Greater Houston - Great Dane Rescue of South East Texas

From the Illini Club - Great Dane Rescue MidWest - you'll remember this group as the ones we assisted last year with the large seizure in Illinois.

And finally from the GD Club of New England - Great Dane Rescue of New England

As always if you have any questions please do not hesitate to contact me.
