PRESIDENT’S MESSAGE

Jason Hoke

Dear GDCA Members,

As we approach our next National at the new site in Virginia Beach for the NE Division I’d like to encourage everyone to remember every division would love to have your support with trophy donations. Debbie Jones is the Trophy Chair for the NE Division and I’m sure she would appreciate any and all contributions. Donations can be made in the National Store on the GDCA Website.

The NE Division is glad to move forward after the issue with the hotel booking which was most unfortunate. The show site is just beautiful and should be a wonderful new venue for our National.

There are other great things happening at the National this year. We are adopting the format of the Boxer Top 20 which we hope will liven up the already wonderful educational showcase of our top dogs. This years format will include music selected by the owners for each dog and spotlights truly showcasing our wonderful breed. Cheryl Robbins who runs the Boxer Top 20 will produce the event with Karen Desjardins and Lynn Adams.

The GDCA knows that these changes will make the event entertaining and personalized for each entrant. Details will follow for the owners and all members!!

I am happy to announce that the futurity nomination forms are now online and payable for both first and second nominations on the GDCA website under the GDCA Store Tab. We are constantly adding content to the new website and appreciate any comments be sent to Melissa Ekis to review. Her email is boarpoint@gmail.com.

I look forward to seeing everyone in October to celebrate another wonderful gathering of our breed, the Great Dane.

Jason Hoke
President, Great Dane Club of America

FROM YOUR SECRETARY

Denise Matulich

Thank you to the affiliate clubs for continuing to submit their updated rosters of members and officers! These are needed to obtain your AKC Specialty approvals each year and to receive your club ballots for GDCA elections.

2021 National Judge Nominations ballot

Ballots will be coming out soon for the first round judge selections for the 2021 National. Included in the ballot are additional eligibility criteria in order to judge the GDCA National that was proposed by the Ethics Committee and accepted and ratified by the Board of Directors. A list of judges approved to judge Great Danes can be found on the GDCA website at https://gdca.org/wp-content/uploads/2019/02/Approved-Great-Dane-Judges-2019-members-bold.docx

GDCA Meeting Dates

The next Board of Directors meeting will be held July 27th at the Hampton Inn in Madison WI.

TOP 20 UPDATE
Lynn Adams, Top 20 National Coordinator

The GDCA is excited to announce that this year the Top 20 will be produced in the same format as the Boxer Top 20 with changes such as dogs having a theme song and a spotlight as well as a new format to bring more excitement. There will also be a people’s choice award to give all attendees a chance to root for a favorite. More to come soon about these exciting changes.

All entry packets have been delivered. Please get your entry in as soon as possible. Just a reminder that the deadline is June 1st.

If you have any questions or need assistance with your entry, please feel free to contact. Lynn Adams or Linda Cain.

NATIONAL COMPANION/PERFORMANCE EVENTS
Tracy Powell, Chair

Just for clarification purposes, Rally, Obedience, and Agility are considered AKC companion events. AKC performance events include FastCAT, Scent Work, Earthdog, Lure Coursing, etc. At this time, the GDCA only offers companion events at our National Specialty. Maybe performance events will be offered in the future.

To be precise, the name of my position has been changed to National Companion/Performance Events Chair. The committees name will follow suit. I apologize to the exhibitors who were upset with the incorrect original title (National Performance Event Chair).

I am excited to let you know that we will have a raffle table set up at the rally and obedience rings at the National Specialty this year in Virginia. We are looking for donations of any kind for the raffle. Please contact me at dulcedanes@yahoo.com if you have any items to donate. All proceeds will go to the division to offset the cost of companion events at our National Specialty. Tickets can be purchased during the companion events. I encourage all exhibitors, including conformation and futurity exhibitors, to stop by to support our raffle. I hope you will stay and watch some of the companion events while you partake in the awesome raffle!

As a reminder to companion event exhibitors, the Invitational runs from June 1st through May 31st. The annual awards run the calendar year.

This is the first of many reminders that companion events need your support for trophies at our National Specialty. There is a link on the GDCA store website for trophy donations that are designated for companion events. Please put in the notes section if you would like the donation to go for a specific class and if the donation is for a specific person/dog. Also let me know as well.

I am still looking for individuals interested in being a member of the companion/performance committee. Please contact me at dulcedanes@yahoo.com if you are interested.

Canine Chagas Disease – Dr. Roy Madigan

2-Hour lecture on Canine Chagas’ Disease. Relevant material for natural history, diagnosis and treatment of the disease in dogs, emphasis on breeding, vertical transmission, and kennel management. Vector control and husbandry practices will also be covered.

Session Date: Tuesday, 8 October 2019 – 30 Minutes After Conclusion of Futurity Judging
Admission Price - $25.00

Animal Communicator – Chris Stakes

Chris is an animal communicator having been featured in many articles and the latest in January 2019, a news story promoting her animal communication skills. She asks and receives answers for anything the person wants to know about their animal. She can do sessions for pets who have passed or animals not in front of her by a picture session. She needs a clear current face view (both eyes open picture) of the Pet to talk with the same as the Pet in person. If she has time, she can also do an energy feel of the animals body - how they see, hear, and aches and pains and how organs feel. Also, if she picks up any allergies, etc, she can make suggestions on what your dog might need, supplement wise, and what she feels they may be lacking in their body. It is about getting answers for specific questions that the person needs to know about their dog. She also includes any other animals or People that have passed and may show themselves to her during the session. You can get more information about Chris by visiting her Facebook Page – Chris Stakes, Animal Communicator

(Lunch Break from 12:00-12:45)
Sessions: 15 Minutes - $40.00 or 30 Minutes - $75.00

Acupuncture & Chiropractic Sessions - Jessica Mattingly, DVM

Dr. Jessica has been a veterinarian in Virginia for 13 years and has worked for The Oaks Veterinary Clinic for 10 years. While most of her time has been spent as an equine veterinarian, she began pursuing integrative techniques to further help her patients. She completed the Animal Chiropractic Certification in early 2014 and has since completed courses in advanced training. In 2018, she completed the animal acupuncture course through the Chi Institute. After completing the chiropractic course she began to offer her integrative services to small animal patients and has enjoyed the diversity it has brought to her veterinary career.

Chiropractic - The goal with chiropractic is to restore normal motion and function of the spine by finding areas of reduced motion during the exam and correcting them using an adjustment. This re-establishes normal nerve function and improves overall body function.

Acupuncture - The goal with acupuncture is to restore balance in the body by stimulating specialized points with needles. The points are selected based on history of the patient and exam findings.

HEALTH & RESEARCH
Neil O’Sullivan

Included in this bulletin issue is a report from Gary Johnson’s lab. The GDCA was one of the Clubs which offered funding support from our AKC CHF – Donor Advised fund. Samples from Great Danes with epilepsy and normal Great Danes were included as one of the breeds in this study.

HELPING OUR OWN
Bill Stebbins

We continue to thank the affiliate clubs for utilizing the names on the Helping Our Own list to select the names for their Sweepstakes judges. The list is available on the GDCA website. This is of great service to those members that wish to become a breeder-judge. If you are an aspiring breeder-judge and wish to have your name added to the list, please contact me at cherdane2@comcast.net.

BREED MENTORS
Bill Stebbins

There has not been too much communication since our last newsletter. Please remember that we are always looking for new mentors to join our ranks. If you have interest in becoming a mentor please contact me at cherdane2@comcast.net and I will send you the particulars. Our basic requirement is the same as the AKC requires for a new judge… 12 years in the breed, a minimum of 4 litters and a minimum of 2 champions. However, the expectations of the Breed Mentor Committee are that these minimum requirements are probably not sufficient to receive an approval on an application.

MEMBERSHIP
Lynda Moriarty

Applications are gathered on a quarterly basis. Deadlines are as follows: July 1, 2019, October 1, 2019 January 1, 2020 and April 1, 2020. Completed applications received prior to these dates will move forward at that quarters’ Board Meeting. Those received after the deadline will be held for the next quarters’ Board Meeting.

Letters concerning the approval or disapproval of applicants should be directed in writing to:

Lynda Moriarty
4496 Gosey Hill Road
Franklin TN 37064

The following applicants have been approved by the Membership Committee for publication in the GDCA Bulletin. The Membership Chairman must receive comments concerning these applicants during the forty-five (45) day period following publication.

Any comments received after June 22, 2019 will not be accepted.

Robert Frank, Sr. (Bob)
November 25, 1937 – January 14, 2019

DX Great Danes, (Fawns, Harlequins and Mantles)

GDCA Member
Great Dane Club of Mid-Florida, Member and Past President

From Linda Arndt’s web page “The Great Dane Lady”. Written by Bob:

“We have had Great Danes with us for the last 15 years. We first had Fawns and became serious when we brought home our imported Swedish Airways fawn male. We fell in love with the Harlequin color in 1994 and have stayed with that color. We began showing in conformation in 1996 and began owner handling each dog, then turning them over to a Professional Handler. Although we appreciate any worthy example of the breed, color or line, we are committed to the BMW look and line. Our objective is to recapture and/or preserve Laura Kiaulenas’s BMW line from those golden years before her failing health. We have done OFA, Cardio, CERF,
and Thyroid screenings on our dogs. We have also started Temperament Testing our dogs. University canine studies done on the issue and consequence of over vaccination have caused us to be very concerned and ultra conservative. When we place our puppies we provide a one-year genetic health guarantee with two years for their hips. We just whelped our “Zuni” sired litter and hope to have a special BMW bred litter in the late fall of 2002. Both of us belong to the Great Dane Club of America and the Great Dane Club of Mid-Florida where Bob has held several offices and is now the club President. He has taken several Judges Education courses and when he fulfills the AKC requirements he will apply for his Judges approval.”

The first Great Dane in the Frank family was a fawn from a pet store in 1988. Not only did that puppy live a wonderful life with Bob and Patti Frank, that Great Dane introduced them to their Veterinarian and to Mona Martin, Bantry Danes from Sweden. Their next Great Dane, another fawn, was from Airway Kennel in Sweden, named Odin. After Odin, Bob and Patti began their love affair with the Harlequin and Mantle Great Danes. They were influenced by Laura Kiaulenas’ breeding program, those harlequin and mantle Great Danes were their ideal in appearance and personality. They also had the assistance of Ann Skyler Cobbett as mentor, handler and friend. The Kennel Name “DX” was chosen as the acronym for DaneXposure. The most significant highlight of Bob’s “life in Danes” was the completion of the championships of one of his favorites, Am/Can Ch. DX Romanee, T.T., call name “Jack” who was the epitome of the “Gentle Giant”. The second highlight was Patti piloting their homebred mantle brace, Marci and Higgins, to a second place win at the 2003 GDCA National in Orlando, Florida.

Carnell Gurrath
June 6, 1935 – February 28, 2019

Prin-Zel Great Danes (Fawn, Brindle, Harlequin), Bred, shown and owned with Debbi Deniston, beginning in 1983.

GDCA Member
Great Dane Club of Milwaukee, Founding Member and Past President

Taught Handling to both novices and professionals through her classes.

Carnell Gurrath began her life in Great Danes by handling her cousin’s Great Danes in 1947-1948 in junior showmanship. Her first owner handled Champion, and first Great Dane was Ch. Bovin’s Glittering Jezebel, CDX, a brindle bitch obtained in 1954. Carnell then began to handle for the Nan-dane Kennel, finishing the first champion of that pedigree who became the bloodline’s foundation. Carnell finished half of the Champions in that breeding program. Between Nan-dane and other Great Danes, including her own home-bred dogs, Carnell finished over 100 Great Danes. Carnell was active in Great Danes and the sport of purebred dogs, owning, showing, breeding and handling, for over 65 years. Her own foundation and influence through the handling of many Danes to their championships made significant contributions to many Midwestern Bloodlines, including Rojon (Ray Cataldi) and Dagon (Mike and Trudy Muller).

At the height of her professional handling career, Carnell handled three different Great Danes to a total of six all breed Bests in Show at a time when the Great Dane rarely made it to the Best In Show Ring. Carnell also became the first woman to judge the GDCA Futurity twice, first in 1970 and then in 1990.

While her career in Great Danes and her contributions to the breed, the GDCA and the sport of purebred dogs, Carnell Gurrath will be remembered most for her kindness, mentorship and training of many of today’s most recognizable faces in our breed. Not only did she support those around her, and in many cases her competition, but she considered the Great Dane Community her very own family.

Eddie was best known for being knowledgeable, outspoken, upfront, blunt and through it all; he was a very loyal friend. “When he really liked you; he loved you.”

Occupations:  
United States Postal Inspector

Professional Handler  
Professional Handling-Great Danes. In the late 60’s Eddie was best known for handling and campaigning dogs for EagleValley Danes, owned by Dorothy Montgomery. In the mid-70’s, he handled for Dinro Kennels owned by the late Rosemarie Robert: Top special was Ch. Dinro Diplomat owned by Robert and Shirly Heal. In the late 70’s Eddie began handling exclusively for Dinro/Sounda Great Danes. Some of their top specials included Ch. Sounda’s Marathon Man (Mork) and Ch. Dinro McKenna’s Against All Odds (Brother). He finished fifty of their Danes and also finished and campaigned numerous dogs across multiple groups, including a top winning Giant Schnauzer.

He was one of the driving forces behind creating the GDCA Independent National Specialty as we know it today.

Clean Sweep Company  
When MB-F removed clean up from the services they would provide to show-giving clubs, Eddie saw an opportunity.

Eddie realized that many all-breed clubs did not have the manpower to provide clean up services during their shows. He also knew how important it was to have those clean up services previously provided by the superintendent. Hence the birth of Clean Sweep.

At this time, Eddie was giving back by helping young men with substance abuse issues who were coming out of a residential rehab program or even jail for a drug-related offense. If one of them was without housing or transportation, the Lyons’ spare bedroom became home for the young men. He would facilitate enrollment into an outpatient treatment program. He drove them back and forth to a facility in Hartford for daily treatment. In the event of a relapse, he would find residential treatment programs for them until they were ready to return home.

If one of Eddie’s “projects” was keeping to the straight and narrow, that young man was deemed eligible for employment at Clean Sweep. A portion of each young man’s income was allocated to repay Eddie for the expenses incurred on his behalf. It was wildly successful, and everyone could spot a Clean Sweep employee from a distance in his neon yellow attire. It was disbanded last fall when Ed’s physician banned his attendance at any indoor show.
AKC Licensed Judge
Began judging Great Danes in 2001. He was licensed to judge many breeds in the sporting, hound and working groups, as well as Owner Handler groups, Best In Show, and Junior Handler.

Judged Best of Breed at the Great Dane Club of America in 2003.

RESEARCH PROGRESS REPORT SUMMARY

Grant 02257: Identification of Genetic Risk Factors for Canine Epilepsy

Principal Investigator: Gary Johnson, DVM, PhD
Research Institution: University of Missouri, Columbia
Grant Amount: $112,781
Start Date: 5/1/2016   End Date: 12/31/2018
Progress Report: FINAL
Report Due: 12/31/2018   Report Received: 2/28/2019

(The content of this report is not confidential and may be used in communications with your organization.)

Original Project Description:

Epilepsy is one of the most common neurologic diseases of dogs and a top concern of dog breeders. Despite strong evidence that genetics is important in determining the risk of idiopathic epilepsy, numerous gene mapping studies have failed to identify a locus that accounts for that risk in either dogs or humans. Seizures occur when excessive activity goes beyond the normal threshold for brain function, many factors contribute to that level of activity, and therefore, mutations in numerous genes may collectively contribute to increased activity until that threshold is exceeded, resulting in epilepsy. Any one of these mutations may be present in non-epileptic dogs, but because it only partially alters activity, it would not produce seizures. Therefore, traditional gene mapping studies might overlook that mutation. Using a novel whole genome sequencing approach the investigators hope to identify DNA variations in epileptic dogs that could affect the function of genes such as ion channels and neurotransmitter receptors that have been shown to alter the seizure threshold in humans or rodents. The frequency of such variations in populations of epileptic and non-epileptic dogs will be directly compared rather than the indirect markers used in traditional mapping studies. The increased power provided by looking for specific gene candidate variations rather than linked markers will aid the identification of epilepsy risk factors, perhaps leading to development of DNA tests to enable breeders to select against such risk factors.

Report to Grant Sponsor from Investigator:
This investigation of canine epilepsy had two objectives: (1) to identify genetic variation that occurs within a single breed and increases the chances for breed members to develop epilepsy; and (2) to identify genetic variation that occurs in many breeds and increases the chances of developing epilepsy for any dog that carries the variation. For objective 1, we first determined entire genome sequences for 28 epileptic dogs from 19 different breeds. Computer analysis was used to determine which of the millions of DNA sequence variations in each of these genome sequences, were likely to alter the functions of genes previously associated with epilepsy in human patients or animal models. We selected eight of the variants considered most likely to be epilepsy risk factors and did DNA tests to see if the variants were more common in epileptic dogs than in non-epileptic dogs from the same breed. For four of these variants, the DNA test results suggested that they were not epilepsy risk factors. DNA test results for the other four variants suggested that they may be breed-specific epilepsy risk factors; however, one of them was too rare to be useful even within the affected breed. Another of these variants appears to slightly increase epilepsy risk but is too common to be of practical use. Breeding strategies that avoid this risk factor would eliminate much of the breed’s gene pool. The remaining two potential epilepsy risk factors show promise and are the subjects of ongoing investigation.

For the second objective (identification of genetic risk factors for epilepsy that occur in multiple breeds), we did a computer screen for potential epilepsy risk factors in over 150 genome sequences, mostly from dogs with diseases other than epilepsy. We then selected the 55 variants considered most likely to be epilepsy risk factors and tested for the concentrations of these variants in pooled DNA samples from 604 epileptic dogs representing 33 different breeds. The concentrations of these variants were also measured in pools of DNA from 604 breed and gender matched non-epileptic dogs that reached at least their eighth birthday without a history of seizures. The concentrations of 3 of the variants were significantly higher in the epilepsy pools compared to the control pools. These three potential epilepsy risk factors should be validated with other collections of DNA samples from epileptic and non-epileptic dogs before used to for mate selection.
APRIL 2019 NEWS UPDATES FROM THE GDCA CHARITABLE TRUST

~ Annual National GDCA Charitable Trust Raffle ~

It’s that time of year when we announce our Annual Raffle Item for the National Specialty Raffle Drawing.

BEGINNING, 1 JUNE 2019!!! Pictured is our exciting Raffle Item for 2019!!! The Winning Ticket will be drawn at the Awards Banquet on Saturday, 12 October 2019! You do not need to be present to win!! The Charitable Trust will pay shipping expenses for the winner, if the winner is not present to transport this beautiful wrought iron gate to their home.

Westminster Grants

The GDCA Charitable Trust, through the Bob and Carolyn Thomas Scholarship Fund, was pleased to provide $500 grants to Juniors who qualified with and showed their Great Dane at the Westminster Kennel Club. Congratulations to Logan Yankowski and Rizzo and to Sydney Hickman and Bugs.

Scholarship Recipients

Congratulations to the following six students on being awarded scholarships from the GDCA Charitable Trust in the amount of $1,500 each:

Ashley Cave, Victoria Cornish, Clarisse Guerin-Williams, Nora Hladik, Seryna Martindale, and John Mark Woodworth.

The total amount awarded was $9,000.

We wish all our scholarship winners continued success in their studies and for the future.

Rescue

Great Dane Club of New England – 2 grants @ $500 each

Northwest Great Dane Rescue - $500
