Dear GDCA Members,

As the National for the NE Division approaches I am so proud of our members who have supported the National trophy fund and also signed on as Sponsors. Without generous donations from each of you our Specialty would never reach the heights it does. For those of you still wanting to donate to the trophy fund the link to the website is here: https://gdca.org/shops/national-store/. Also a big thank you to Debi Romerosa, our Corporate Sponsor Chair. She has once again done an amazing job obtaining sponsors. She is always willing to accept new sponsors and here is the link to sign up: https://gdca.org/shops/national-store/sponsorship-program/. The GDCA thanks everyone for their continued support.

This National will be very exciting as we will be introducing our new Top 20 Format with music during the event, a new script, as well as a new scoring system. Additionally, there will be a People’s Choice Award where you the spectator can have input and vote for the exhibit you feel is the best! The voting form for the People’s Choice Award will be included in the catalog (One per person only). The winner of the People’s Choice will be announced at the completion of the Auction the following night.

The committees of the NE Division have been through quite a bit to ensure this national is a success. When you see any of them at the shows please thank them for everything, and I am sure if you ask them if they need any help they will certainly be willing to have a helping hand.

I look forward to seeing everyone at the National and I know we will have such high quality dogs and great judging which ensures this will be a magnificent showcase of our beloved breed.

Jason Hoke
President, Great Dane Club of America

Ballots
The final judging ballot for the 2021 National is being put together and will be in your mailbox soon. A ballot to approve the recent by-law changes and edits will also be included in the mailing.

Affiliate Club Standardized Roster Form
There is a new standardized roster form for affiliate clubs to use to submit your roster of members and officers. We are requesting that all clubs use this form when sending in your annual rosters. The form can be found on the GDCA web-site by clicking on the GDCA then affiliate clubs. The direct link is: https://gdca.org/the-gdca/affiliate-clubs/

Affiliate Specialty Approvals
As a reminder, all affiliate club specialties require a GDCA approval. In order to obtain an approval your club’s dues need to be paid and a current roster of members and officers must be submitted along with the request which includes the dates and location of the specialty to DKMatulich@sbcglobal.net.

- Please note: It is up to the affiliate club to make the request to us for approval as the process is not automatic and AKC does not notify us of the event scheduled.

I have been in touch with Michael P., Futurity Chair for the Division and we are good to go for the 2019 National. And hope to see all these puppies ringside.

The nomination process has gone electronic. You can now complete the 1st Nomination form and 2nd Nomination form online and pay the fees thru the GDCA Store. Final Entry forms are emailed to each breeder in July per the Futurity Rules. There have only been a few glitches, but for the most part it has gone very very well. Yes, those without email will still be able to use the US mail service. A Big shout out to the Board for allowing this process to happen so quickly. Big Thanks to Kathy Munyan and Melissa Ekis for getting it up and running on the Website. All of the 2020 Nominations to date have been done electronically. Woo Hoo!

Please remember if you have any questions regarding Futurity to email me at futuritykathy@gmail.com.
TOP 20 UPDATE
Lynn Adams, Top 20 National Coordinator

We are pleased that all dogs eligible for this year's event have submitted an entry. It is shaping up to be a great one! As you know the Top 20 has been revamped and we now have a People's Choice Award. That means that you, the spectators, get to cast your votes for your favorite Top 20 participant. But there is a catch. In order to vote you must purchase a catalog. The ballot will be in the catalog. Only 1 catalog per person.

So please help us by going on the Division store website at this link https://gdca.org/shop/national-store/catalog-sales/top-20-catalogs/ and pre-purchasing your catalog. We don't want to run out and your pre-purchase will help us make sure we have enough catalogs so everyone gets to cast a vote. Thanks for helping make this an exciting and special Top 20!

NATIONAL COMPANION/PERFORMANCE EVENTS
Tracy Powell, Chair

The National Speciality is less than 2 months away and we're excited for the companion events offered this year. On Monday the GDCA all breed agility trial is offsite in Hampton, VA. You can get more information about the facility and location on the Merrimac Dog Training Club website http://merrimacdogtrainingclub.org/. There is a separate premium list to enter the agility trial. Teresa LaBrie is the agility division chair and can be reached at wysiwygdanes@hotmail.com.

On Tuesday and Wednesday there are 2 rally and obedience trials on site at the Founders Inn. You can enter using the GDCA National premium list or http://www.raudogshows.com/. Charlie Marcantonio is the obedience and rally division chair and can be reached at InsurRectr@aol.com.

The GDCA Invitational for companion events will be held concurrently with the trials. This special attraction showcases the top Great Danes for the past competition year in obedience, agility, and rally. I would like to ask all people attending the national specialty to stop by and watch our Danes compete in companion events.

We are having a RAFFLE TABLE on Tuesday and Wednesday at the rally and obedience trials at the Founders Inn. ALL ARE WELCOME TO SUPPORT THE RAFFLE TABLE EITHER THROUGH DONATIONS OR BUYING RAFFLE TICKETS AT THE TRIALS. We will draw the raffle on Wednesday around noon. To donate to the performance raffle table, please contact Sterling Moffat at sterling.moffat@gmail.com. Raffle tickets can be purchased on site.

Please don't forget to donate to the performance trophy fund. We appreciate your support towards the many companion event trophies awarded at the national. The GDCA Performance Awards and Invitational Awards Ceremony will be held on Wednesday. Please see the national catalog and schedule of events for the location and time of the ceremony. We are looking forward to awarding those Danes that have excelled in companion events. We are also looking forward to having a place and time where companion exhibitors can get together and enjoy each others company. All are welcome to attend.

Last, but certainly not least, the GDCA Board of Directors has approved FastCAT for the 2020 National Specialty pending site availability. I would like to thank those who helped me gather the information needed to present the proposal to the BOD at the last meeting. Special thanks to Mona Brown and Traci Rinoldo.

She asks and receives answers for anything the person wants to know about their animal. She can do sessions for pets who have passed or animals not in front of her by a picture session. She needs a clear current face view (both eyes open picture) of the Pet to talk with the same as the Pet in person. If she has time, she can also do an energy feel of the animals body - how they see, hear, and aches and pains and how organs feel. Also, if she picks up any allergies, etc, she can make suggestions on what your dog might need, supplement wise, and what she feels they may be lacking in their body. It is about getting answers for specific questions that the person needs to know about their dog. She also includes any other animals or People that have passed and may show themselves to her during the session. You can get more information about Chris by visiting her Facebook Page – Chris Stakes, Animal Communicator.

Acupuncture & Chiropractic Sessions - Jessica Mattingly, DVM

Dr. Jessica has been a veterinarian in Virginia for 13 years and has worked for The Oaks Veterinary Clinic for 10 years. While most of her time has been spent as an equine veterinarian, she began pursuing integrative techniques to further help her patients. She completed the Animal Chiropractic Certification in early 2014 and has since completed courses in advanced training. In 2018, she completed the animal acupuncture course through the Chi Institute. After completing the chiropractic course she began to offer her integrative services to small animal patients and has enjoyed the diversity it has brought to her veterinary career.

**Chiropractic** - The goal with chiropractic is to restore normal motion and function of the spine by finding areas of reduced motion during the exam and correcting them using an adjustment. This re-establishes normal nerve function and improves overall body function.

**Acupuncture** - The goal with acupuncture is to restore balance in the body by stimulating specialized points with needles. The points are selected based on history of the patient and exam findings.

Fertility Clinic – Dr. Stuart Meyers

ANNOUNCING: The Great Dane Semen Quality and Fertility Research Study that will be conducted at the 2019 National Specialty in Virginia Beach.

. . . Looking for a Few Good Studs . . .

We are grateful for the Great Dane Club of America and the Great Dane Charitable Trust support of our research program in male fertility at UC Davis!

In recent years, the use of artificial insemination (AI) and frozen semen for dog breeding has been expanding in veterinary clinical practice and these techniques are highly desired for genetic improvement of elite breeding stock. In our previous work on canine semen quality, we used advanced measures of semen analysis including laser flow cytometry and computer-assisted sperm motility analysis (CASA) to determine that aging Labrador retriever males showed elevated reactive oxygen species (ROS) that was associated with declines in sperm motility.

In this newly funded research, we will utilize new technology that measures oxygen usage as well as traditional measures of sperm fertility. This method has never been used in canine sperm and we expect to determine the best conditions for dog sperm to efficiently produce energy. In this way, we will determine if ATP production and sperm motility can be generated without excessive oxygen free radical formation. Our results will be used to determine if aging and cryopreservation methods for Great Danes will have detrimental effects on sperm quality and will provide a mechanism for us to understand how to optimize sperm production of ATP and motility.

We are very excited to be attending the 2019 GDCA National Specialty for the purposes of collecting semen for this study. We plan to collect from 20-25 males (each day) over a three day period, 10/9, 10/10 and 10/11. Please visit the GDCA Northeast Division Store for details on signing up. There is no charge for this clinic. The only requirement is signing a consent form to participate.

My lab at UC Davis welcomes your participation and we look very forward to helping to understand male-based fertility problems in Great Danes.

Sincerely,

Stuart A. Meyers, DVM, PhD, American College of Theriogenologists
Professor

HELPING OUR OWN
Bill Stebbins
I want to thank all of the affiliate that are using the Helping Our Own listing to obtain judges for their Sweepstakes. In-ring experience is a vital aspect to an individual's application to judge. Supporting our own breeders as they approach the time to apply to become a breeder-judge is gratefully appreciated.

Anyone who wishes to be included on the Helping Our Own list should contact me at cherdane2@comcast.net for the required information.

BREED MENTORS
Bill Stebbins
I continue to receive the Notice of Mentoring Session Reports from our mentors. I encourage all of our mentors to use this form when mentoring someone.

We have not had any new applications for individuals to become breed mentors.

Anyone wishing to apply to become a GDCA breed mentor should contact me at cherdane2@comcast.net for the required paperwork.

The next major opportunity for our breed mentors will be at the 2019 National Specialty. The Breeder’s Ed and Judge’s Ed Committees will coordinate this effort.

Alice Bonne
August 5, 1946 – March 19, 2019

Bonneville Great Danes (Fawns and Brindles)

Member: GDCA

Not only a bright mind that excelled in physics, economics and graduate law studies, Alice Bonne expressed an artistic side through the breeding, raising and showing of her Great Danes. With her husband, Jack, Alice produced fawn and brindle Great Danes under the name “Bonneville” in California. Together Jack and Alice also bred Rhodesian Ridgebacks. Not only did the Great Danes of Bonneville excel in the show rings, whelping boxes and as family members, some were “famous” for their appearances in movies and television commercials. Am/Mex/Intl Ch, Bonneville Jackson (1989), his son, Ch. Bonneville Spring Tsunami (1996), Ch. Bonneville Catch A Wave were a few of the memorable Great Danes produced by the Bonneville breeding program and can be found in many other pedigrees of fawns and brindles of the 1990’s and 2000’s.

After decades of valiantly fighting Lupus, even serving on the board of The Lupus Foundation. Alice passed away peacefully and at home, on March 19, 2019.

Linda Susan Dalton
August 10, 1956 – April 20, 2019

Co-Founder: Great Dane Rescue, Inc.

Member: The Wolverine Great Dane Club of Western Michigan
Past Member: GDCA

Before losing her battle with ALS (Lou Gehrig’s Disease) this past April, Linda Dalton spent over thirty years in the company of Great Danes. Not only did she breed and show in conformation, under the “TLC” name, Linda was one of the founders of the Great Dane Rescue, Inc. organization. She dedicated a great deal of her energies to helping so many Great Danes, through rescue, fostering, and training. Linda was also known as “The Manchester Great Dane Lady”. Her willingness to mentor and advise on all things “Dog” gave her the reputation of a “Human Encyclopedia”.

Linda’s smile and infectious laugh, along with her willingness to help animals in need. Which brightened so many lives, will be missed.
