PRESIDENT’S MESSAGE
Jason Hoke

Dear GDCA Members,

The time has passed when our National that never was would have been. We all share in the same empty feeling of not gathering together to enjoy comradery and reveling in the breed we care about so much. The Central Division took the absence of the National and has turned into a positive through all their hard work. With the efforts of Arnie Eckenrode as Division Chair and the assistance of all Division members they forged ahead and made a plan to still fundraise for the Division. As you know we are all in this together. Debi Romerosa the National Sponsor Chair continued to enlist the help of our Sponsors to retain their pledges and raised a substantial amount of divisional income. Joining Debi’s efforts was the group known as “Great Dane N Great Deeds” who raised a substantial amount of money for the division as well as for rescue, other clubs, the Charitable trust, and many other groups in need during this hard time. We also had the great efforts of the Way and Means committee who always offers great merchandise for sale. There were so many others who put their heart and soul into making the best of Covid 2020. I thank everyone!!! It shows how strong we are when we all work together.

Now we must look forward to the upcoming National in Myrtle Beach. As we have all been to this site before it looks to be a fabulous National as it was in the past. Having Wanda Helper with her previous experience in manning the helm we know with her in charge every detail will be perfect!

I wish everyone a happy holiday season which is just around the corner. Please stay safe and well.

Jason Hoke
President, Great Dane Club of America

FROM YOUR SECRETARY
Denise Matulich

It’s that time again! Your 2021 Affiliate Club rosters of officers and members are due. Club secretaries should complete your rosters on the standardized form found on the GDCA web-site under the Affiliate Club tab at https://gdca.org/wp-content/uploads/TheGDCA/AffiliateClubs/Club-Roster.xlsx

Please email the completed form to dkmatulich@sbcglobal.net

**As a reminder, current club rosters are required for specialty approvals. Clubs must request approval for specialties from the GDCA by email with dates and location of shows. AKC does not contact the GDCA for your club’s approval.

Also new this year is the waiver of 2021 Affiliate Club dues if your club had to cancel its normally scheduled specialty show(s) in 2020 as a result of the covid-19 pandemic. You must request the waiver by email making note of the date and location of your cancelled specialty. Specialties that were rescheduled and then successfully held do not qualify for the waiver.

Wishing all of our members and affiliate clubs a happy and healthy holiday season!!

GDCA 3rd Quarter Awards
Margaret A. Ontl

As to Award Certificates processed this quarter: Two Versatility, Two ROM, Two HOF, Two Venerable and One breeder’s certificate.

At year’s end I will send an update to the GDCA Website as to the HOF and ROM certificates awarded in 2020.

All of the GDCA Annual Awards were shipped directly to the recipients from Joan’s Trophy. One was shipped to the wrong address and this has been corrected.

HELPING OUR OWN
Bill Stebbins

We have had a couple situations since the beginning of the Covid era where affiliate clubs have been able to have a show and needed a Sweeps judge in a short time frame. We were able to help them with their situation.

I would once again remind those of our membership that have future aspirations of judging that your actual experience you have in the ring plays an important part of your application. In addition to actually your dog(s) this would also include stewarding and Sweeps and matches. The more in-ring experience you have, the better.

If you wish to be added to the Helping Our Own list, please contact me. ~ Bill Stebbins

GDCA Irish Spotting Test Validation: Study Announcement

At its October 24 meeting, GDCA approved a collaborative project with the University of California-Davis Veterinary Diagnostics Laboratory (VGL). The objectives of this research are to validate VGL’s proposed genetic test for Irish Spotting and to further define the relationship between test results and appearance in Great Danes who display varying degrees and placement of white markings.

Although there have been important advances in the use of health testing to eliminate disease and more accurately predict the outcome of potential breedings, there’s still have room for improvement. Predicting the outcome of breedings within the "harlequin/black and white" family of Great Danes is a case in point. Thanks to the efforts of genetic researchers world-wide, we now have a better understanding of coat color inheritance which has led to tests for specific genes which determine color expression. This includes recognition that coat COLOR and PATTERN are inherited independently in the "harlequin/black and white family" of Great Danes. VGL has developed a genetic test for "Irish Spotting/MITF", which controls the pattern of white markings, based on various dog breeds which show this pattern. In order to advance this test to the next stage where it will be available to the general public, it needs to be validated to prove the results accurately discriminate between dogs who show the desired "Irish" pattern and those who do not (for example, partial or other, non-Irish variations).

A validated genetic test will provide another useful tool for breeders as they strive to maximize production of offspring who most closely meet the pattern described in GDCA’s breed standard. In order to validate the test, VGL needs specimens and photographs from approximately 100-200 Great Danes. The proposed study will compare the results of the VGL MITF test with photographs of the dogs who fall into various ranges of the test result. Assuming the test produces results which reliably identify dogs who possess desirable genotypes, breeders will be able to use the test to optimize production of offspring who most closely conform to the pattern described in the standard, a valuable tool for those who breed within the harlequin family of Great Danes.

We plan to recruit and enroll Great Danes with varying degrees of white markings, obtain photographs and log these into a research database. VGL will perform the genetic test at no charge and inform the owner and GDCA of the test results. Once a sufficient number of paired genetic tests and photographs are available, statistical analyses will be performed to determine the extent to which the test result is consistent with the specific pattern and continuum of white markings seen in the Great Danes in the study. Assuming the test result correctly discriminates between Irish pattern and other non-standard white markings, the test will be validated and will be made available to the general public via VGL.

NOTE: This study will begin MITF-LP testing at VGL on December 1.
GDCA Irish Spotting Test Validation Study:

Registration Information

GDCA is seeking Great Danes who show significant white markings to participate in a research study to assist in the validation of a genetic test for the Irish Spotting/MITF Length Polymorphism. Eligible are harlequin, piebald, merle, black mantle, merle mantle or others with white markings outside the chest or feet. Typically, these will be dogs descended from the harlequin family. The goals of the study are to: (1) assist in the validation of VGL’s MITF LP test; (2) provide owners with information useful for future breeding decisions; and (3) support development of educational material on the topic of coat color/pattern inheritance to be shared with members and non-members of GDCA. Owners will be provided with their dog’s test results free of charge.

VGL’s MITF LP test is not available outside this GDCA research study.

To be included in the study, the dog owner will contact the study manager, Mary Anne Zanetos (MAZ) at MAZ850@aol.com and provide the following information for each dog to be enrolled:

- Owner’s name and contact information
- Dog’s name, breed, registration number, date of birth, gender, color
- Names and registration numbers of sire and dam
- Clear profile photographs of both sides of the dog showing white markings

MAZ will review the information and if complete:

- The owner will be provided with a consent form permitting VGL, GDCA and study manager to receive MITF LP test results from VGL and to use these results, demographic information and photographs in the study report and potential publications.
- Upon receipt of these items, MAZ will contact owners, confirm receipt of the items above and enter information into the study database.

Owner will be provided with instructions on how to submit their dog’s sample to University of California Davis’ Veterinary Genetics Laboratory and a coupon code which confirms study entry and authorizes payment for the test by GDCA.

Please Note:

1. Results from other genetic testing by VGL will be provided to owners separately and will not be reported to GDCA.
2. Individual adult dogs are preferred.
3. In certain cases, dogs previously tested by VGL for piebald gene can be retroactively entered in the study, provided the original sample is available and the information above is submitted to MAZ.
Join Us For the 2021 GDCA National Specialty, Futurity, Top Twenty Invitational Show

Hosted by: Southeast Division  
(GDCSEFL, GDCMS, GDCCNC, GDCMF, GDCNCFL)  
October 25 – 30, 2021  
Sheraton Myrtle Beach hotel and Convention Center  
2102 N. Oak St.  
Myrtle Beach, SC 29577

The Southeast Division of the Great Dane Club of America is busy preparing for your arrival in Myrtle Beach, SC for the National Specialty Show to be held October 25th – October 30, 2021. We are thrilled to return to the Sheraton Myrtle Beach Hotel and Convention Center we can’t wait to see you there!

This year, our tradition of announcing room accommodations and schedule for the next National Specialty with pamphlets distributed during the final days of the current year’s National was disrupted by the pandemic. I realized there was minimal advertising to announce our Southeast Division last week even though, I pushed the dates out further hoping to our guests time to prepare to book rooms at the host hotel. However, I am encouraged by opening various media platforms over the next few months will be sufficient to reach everyone of upcoming news.

At this point, all rooms at the hotel are sold out. Generally, closer to the event our exhibitor’s plans change and factoring in Covid-19 next year often resulting in cancelling of rooms. If you wish, you can be added to the hotel waiting list by contacting Wanda Hepler at Heplerdanes@gmail.com. Our RV Parking spaces will open following the hotel site visit first of January. The GDCA FB page and Southeast National Specialty FB page will continuously post announcements and deadlines. In addition, the overflow hotels listing shall be updated once we negotiate on terms. Also, please do not forget to extend your stay so that you can participate in the Great Dane Club of Mid-South Independent Specialty Show to be held on Sunday, October 31st at the National Specialty Location. Ila Minton and I along with our Committee volunteers plan to make your stay a safe and enjoyable one.

PERFORMANCE
Tracy Powell

The Facebook group Great Danes N Great Deeds has very generously donated $3000 to GDCA performance. Thank you so much to all who manage that page and those who donate. We greatly appreciate it! We are still discussing with the Board of Directors how the money will be allocated.

Check the performance page on the GDCA website for updated stats for companion events. Thanks to Gayle and Traci for compiling and managing those for us!

The Southeast Division is working hard on the 2021 National Specialty companion/performance events. We are all looking forward to seeing you there!
BREED MENTORS

Bill Stebbins

We have had our first activity with Breed Mentors since the beginning of Covid. I am currently awaiting completed applications from two members. At the risk of redundancy… the future of any breed relies on having active, qualified mentors. We have many people in the GDCA that have been performing this function for years and doing so in a manner which has given great and proper guidance to many future judges as well as Daneites that are new to our breed. Many of these individuals have never applied to become a recognized breed mentor for the GDCA. I would hope that some of the people in this category would now considering applying to become part of the breed mentor team. For an aspiring judge to comply with AKC guidelines (any and all breeds) the mentors they list on their application must be recognized as such by their parent club.

If you have any interest in pursuing this essential role within the GDCA please contact me for the necessary forms at cherdane2@comcast.net

It is with a heavy heart that we have to report the passings of our good friends and fellow GDCC club members, Mal and Virginia Helman of Rancho Del Sol Great Danes. Mal and Virginia were rescued from their burning home on Tuesday night, November 3rd. Virginia passed away on November 7th due to smoke inhalation. Mal joined his wife 2 days later on November 9th.

Mal and Virginia joined the Great Dane Club of California in 1970 and became honorary members in 2017. Mal also supported the club as President in 2001 and 2002. They were also supporters and members in the San Gabriel Valley Kennel Club. Virginia was 89 years old and Mal was 91. Cards may be sent to Mal & Virginia’s daughter, Michele Lukens.

Courtesy of Arlene Davis:
Mal handled a Great Dane team to Best in Show. It was a wonderful accomplishment, to see him in the ring with four beautiful Great Danes. He was also Secretary of the GDCC and numerous officers and board members.

He and Virginia were very active members of San Gabriel Valley KC for many years. Arlene

Courtesy of Cathy Schaefer:
Mal won several Bests in Show at the famed Beverly Hills KC with their team of mother/daughters Ranchi del Sol girls. Mal was President of the GDCC for many terms. Mal handled many Great Danes of their breeding to their championships. He really enjoyed that.

Job loss and illness and/or hospitalization from Covid-19 and Covid-19 like symptoms qualify for consideration.

“Exciting UPDATE” **

We are pleased to announce that the Great Dane Club of America Charitable Trust will be reimbursing $50 toward echocardiograms for GDCA and Affiliate Club Members for exams performed in 2020. Guidelines for participating are listed below. We would like to thank Darryl Pitts for taking the helm as the Gatekeeper for this program.

1) The GDCA Charitable Trust will reimburse (subsidize) OFA advanced cardiac (echocardiogram) studies for GDCA and Affiliate Club members in the amount of $50.
2) **Limited to ONE PER DOG for either INITIAL or FOLLOW UP Echocardiogram.**
3) Great Dane must be one of seven acceptable colors as recognized by the breed standard.
4) Echocardiograms performed at GDCA National will be excluded as they are already subsidized and offered at a reduced rate to participants.
5) Send a copy of receipt, OFA application, and mailing address for receipt of check to Darryl Pitts at ECHO.GDCA@gmail.com. If you are not a GDCA member, please indicate affiliate club membership.
6) Processing of checks will be done quarterly.

**AKC Agility Ranking - Great Danes**

September 2020

Trial dates: 10/1/2019 to 9/30/2020

Agility scores as reported directly from AKC. Please check AKC website to verify your information.

Rankings are based on regular classes only; using the formula (Q2's x 10) + points for master/excellent class, and Average score then Average speed (yps) for other classes. Premier, FAST, and T2B listings are for information only. Only dogs with more than 1 score are included in the ranking calculations.
