PRESIDENT'S MESSAGE

Jason Hoke

Dear GDCA Members,

In this most uncertain time amid the Covid-19 Virus I first want to wish all members continued health. As well all know this pandemic has affect us all in different ways across our lives. Many questions arise from such an unprecedented event pertaining to our club and what the GDCA and the Central Division are considering in regard to the decision as to whether to move forward with our National Specialty.

First and foremost, please understand that our priority will be protecting the health and well-being of our members and that we will not proceed with any event if the indications from official government mandates any restrictions that preclude us from holding a show. Other concerns regarding financial viability, ability of exhibitor and attendees to attend a long week of shows after such long layoffs and extended loss of income, liability of the Division and the GDCA in regard to safety, are among a long list of concerns being brought forth by the Division and members. We see many shows such as Del Valle in CA who holds their show in October, as well as very large National specialties cancelling well into November such as the Golden Retriever club and the French Bulldog Club. The Division Chair, Show Chair, and the Board are weighing all options and hope to come to a final decision soon.

Another effect of the Covid-19 outbreak is that many Affiliate Clubs have had to cancel their specialties. The GDCA Board understands that some Affiliate Clubs survive year to year solely based on income derived from their annual specialties. We, the GDCA Board, passed a motion that any Affiliate Club whose specialty is cancelled in 2020 and is unable to be rescheduled this calendar year can submit a letter to the GDCA Board requesting a waiver of their annual dues the following year. This will cut down on some operating expenses of those clubs adversely affected. Please see Cindy

Harwin's notice in her Affiliate Club Report for specific details.

I do hope that this bulletin finds you all well and with continued health in the next coming months.

Jason M. Hoke
President, Great Dane Club of America

AFFILIATE CLUB REPORT

Cindy Harwin

In light of the Covid-19 pandemic, the Great Dane Club of America Board of Directors has passed a motion, with which, it is our hope that we can alleviate some of the financial hardship Affiliate Clubs may be experiencing in the event they have to cancel their Affiliate Specialty in the 2020 calendar year.

For Affiliate Clubs who had to cancel their Specialty and were unable to reschedule this year the GDCA will be waiving your Affiliate Club dues for 2021. Your Corresponding Secretary must submit the following in an official letter from your club:

- 1.) **A request for your Affiliate Club Dues to be waived.**
- 2.) **The date your Specialty would have been held.**
- 3.) **Your completed roster for 2021 in the required format.**
- 4.) **A statement that you will not be able to reschedule your show in the 2020 calendar year.**

This request should be submitted no earlier than November 1st, 2020 and must include your current roster with officers.

Please send all waiver requests to Denise Matulich, dkmatulich@sbcglobal.net.

If you have any questions or concerns, please contact me.

HELPING OUR OWN*Bill Stebbins*

The current coronavirus has put a temporary stop to dog show activity. Some of you with upcoming sweepstakes assignments may be impacted. If you have an assignment which is canceled by a club they may be more than willing to give you a rain check for their next Specialty Sweeps. As always, aspiring breeder judges are encouraged to contact me to have their names added to the Helping Our Own program.

Stay well.

BREED MENTORS*Bill Stebbin*

In recent weeks the world around us has taken a sabbatical from the normal. The battle with the coronavirus has impacted the lives of everyone. The world of dog shows is no exception. Shows are being canceled and, as of a couple days ago, the AKC has furloughed its staff with the expectation that rehiring will not take place until August. Needless to say the work of a breed mentor is currently on hold. Once we are out of this dilemma I encourage you to continue the good work that you do for the benefit of the Great Dane. Your work puts you in the position of being caretakers of our breed. Your efforts are appreciated by all of us.

Stay well.

We are pleased to announce that the Great Dane Club of America Charitable Trust will be reimbursing \$50 toward echocardiograms for GDCA and Affiliate club members for exams performed in 2020. Guidelines for participating are listed below. Thank you to the GDCA Charitable Trust for your continued support in promoting the health and wellness of our beloved breed.

- 2) Initial echocardiogram per Great Dane (follow up or retest excluded)
- 3) Great Dane must be one of seven acceptable colors as recognized by the breed standard.
- 4) Echocardiograms performed at GDCA National will be excluded as they are already subsidized and offered at a reduced rate to participants
- 5) Send a copy of receipt, OFA application, and mailing address for receipt of check to Darryl Pitts at ECHO.GDCA@gmail.com. If you are not a GDCA member, please indicate affiliate club membership.
- 6) Please allow 45-60 days for processing and receipt of check.

PERFORMANCE/COMPANION EVENTS COMMITTEE*Tracy Powell*

The BOD has approved the following changes to the GDCA awards program.

FastCAT has been added to the list of annual awards starting in competition year 2019. So the highest scoring Dane whose owner is a GDCA member in each FastCAT title level gets an annual award, if there is one.

Also there have been changes to the GDCA Hall Of Fame. The new wording is as follows.

Hall of Fame:

Any one or more of the following:

- A Conformation Championship and a UD, AX, AXJ, AXP, or any excellent level title or higher in any AKC companion or performance event.
- Completing any: OTCH, MACH, VCD3, CT, or RACH

We are looking to further revamp the GDCA performance awards. Mona Brown has kindly volunteered to collect and organize any ideas. Please contact Mona at jxoc@yahoo.com.

We are finalizing companion and performance events at the 2020 National. Agility will be held at the Illinois State Fairgrounds in Springfield, IL in the covered arena. The flooring is dirt and we will have 2 100' x 100' rings. FastCAT, obedience, and rally will be on the host hotel property.

	<p style="text-align: center;">Great Dane Fertility Results conducted by Dr. Stuart Meyers at the GDCA National Specialty in Virginia Beach October 2019</p>	
---	---	---

Researchers from the University of California, Davis conducted part of an extensive stud dog reproduction study supported by the Great Dane Club of America and the Charitable Trust last October (2019) in Virginia Beach, VA. Dane owners further supported the study by donating a semen sample from 50 dogs of various ages during a Reproduction Clinic at the National Specialty. Although the study population was skewed towards younger dogs at the Specialty, this was the largest semen quality study performed worldwide on any single dog breed and will provide some answers to canine fertility knowledge! The clinic was directed by Dr. Stuart Meyers, a professor in the veterinary school, and his team of 4 graduate and veterinary students from Davis who set up a state-of-the-art semen clinic. Dr. Andrea Hesser, an expert in canine reproduction and fertility from the Dallas area also was part of the team that collected semen and performed computerized semen analysis for motility, morphology, and series of biochemical tests that determined the free radical status of each dog's semen. The researchers also documented testicular size and breeding history and the potential effects on litter size and other endpoints. The goal of the study was to survey the population of potential and active breeding males in order to have a science-based idea of the normal and abnormal aspects of sperm production that can be expected of Great Dane male dogs.

A massive amount of semen quality data analysis is now in progress and, when complete, will be reported to the GDCA membership and will be published in a scientific journal in the coming months. The team has so far identified a strong negative relationship between age and total sperm motility, describing 10% decrease in total motility with each one-year increase in age. Age is also negatively associated with sperm morphology and sperm count. No significant association was found between testicular volume and total sperm number. While testicular volume correlates with total sperm number in livestock, results indicate testicular volume is not a predictor of sperm production capabilities in the Great Dane. While more data is being analyzed for biochemical properties of semen, age related decreases in motility parameters and sperm concentration emphasize the need to better understand how age-related changes impact fertility in this breed and perhaps a "cut-off" age that dogs experience declining fertility. This will allow veterinarians and breeders to develop improved methods for reproductive management of stud dogs. Because the study was largely conducted on dogs at the National Specialty, there were not enough senior dogs in this part of the study to truly lay the groundwork to study the 'old dog' population. A follow-up study will be planned to extend the UC Davis study to a larger group of more senior dogs.

Dr. Meyers' team will also be performing follow-up studies on the genetics of Great Dane fertility that may shed more light on the declining litter size and testicular size that has been anecdotally reported by many Dane owners. The UC Davis team wants the Club to know how much their generous contribution to this work, both financially and by donating semen, is appreciated and that this work will allow a new perspective on fertility for many dog breeds in addition to benefits to Great Danes!

Covid-19 Help

Through The

Great Dane Club of America Charitable Trust

The Trustees of the Great Dane Club of America Charitable Trust want to remind you that, as in every National Disaster, we are here to offer assistance to the Fancy. Our National Disaster Relief Fund is ready and willing to distribute funds to any Great Dane owner who is in need due to Covid-19.

Our guidelines for this fund provide for financial aid to assist for the medical and sheltering needs of Great Danes in a national disaster, as well as aid to keep the family and dogs together if relocation is necessary. Job loss and illness and/or hospitalization from Covid-19 and Covid-19 like symptoms qualify for consideration.

For information or help, please contact Cathy Schaefer at dick.schaefer@gmail.com or access our application at gdca.org under the Charitable Trust, then click the "Disaster Relief Fund" Tab. You can email your application to Cathy or mail it to her at P. O. Box 521, Acton, CA 93510.
