PRESIDENT'S MESSAGE

Jason Hoke

Dear GDCA Members,

During these winter months as we hunker down, and we hope that with the coming of spring brings a renewal of warmer weather and with some perseverance the slowing down of the Covid-19 virus. Even as we wonder what the next days will bring, the GDCA is optimistic in its ventures to further our breed.

As you know we have the exciting Irish Spotting Study that is still ongoing being managed by Mary Anne Zanetos. She has put forth such a great effort to facilitate this study and I do hope that anyone who has dogs who qualify for this important study participate. It is testing such as this that advances our understand of our complex color families and their markings.

I am pleased to be working with the South East Division Chair, Wanda Hepler who has once again volunteered to man the helm and offer her experience at the lovely Myrtle Beach venue in October. She has a great divisional crew helping her. I know I look forward to finally having a National again. It was there I judged Best of Breed and I know the entry will be just as impressive. Our National could never be so impressive if it were not for the work of our Sponsorship Chair, Debi Romerosa. The funds raised by the division as well as Debi pay for the expenses of the show and venue and with good fortune go back into the coffers of the divisional

clubs. If you are interested in being a sponsor of any level please reach out to her. She puts her heart and soul into this every year!

The GDCA Charitable Trust is gearing up once again for some major fundraising as well. They work so well in conjunction with the GDCA to support many facets of our sport that require funding and aid. When you as a member make any contribution to them you can request your monies be allocated to as specific fund such as rescue, scholarships, disaster relief, for example. Our trust funds major health research projects as well ensuring the wellbeing of beloved breed.

We in the GDCA have much to be thankful for moving into this year and I encourage all of you to begin enlisting the youth of the sport and mentoring them as they will hold the fate of the breed in their hands. I have seen many of you welcoming newcomers as well. I applaud all of you for nurturing the new and young alike. Well done.

GDCA 2020 Annual Awards*Margaret A. Ontl*

In the year 2020 we had 128 Great Danes earn their championships.

The 2020 Breeder of the Year, will not be presented this year as the top breeder is not a GDCA member.

The 2020 Stud Dog of the Year is CH Chanoz Daystar Around The River Bend owned by Lori Beilke, Linda Jobe and Michelle Bjornkman. He sired five champions. The following two stud dogs each had four champions GCHP CH MJM's Talk of the Town and GCH CH Briarwood's My Way V My-Jon.

The 2020 Brood Bitch of the Year is GCH CH Stardust's Stealin' The Spotlight owned by Darryl Pitts, Brian and Wendy O'Donnell, with four champions. There was a tie for this award, however the other Brood Bitch owner was not a GDCA member.

The Top 2020 Owner Handled Dane is GCH CH Magazu N Danemark's Let Them Eat Cake V Legado owned by Jason Dubman and Francisco Camacho. She had 850 points.

The Top 2020 Great Dane Breed Points is GCHG CH Landmark-Divine Acres Kiss Myself I'm So Pretty with 1107 points. "Lovely" earned two BIS, five Group 1, five Group 2, one Group 3, three Group 4 placements and 40 BOB. She is owned by Melisa Ruppert and Stephanie Taylor.

The Top 2020 Great Dane Group Points is for the second year in a row, GCHG CH Landmark-Divine Acres Kiss Myself I'm So Pretty. She earned with 5.397 points, which included two BIS, five Group 1, five Group 2, one Group 3, three Group 4 placements and 40 BOB. She is owned by Melisa Ruppert and Stephanie Taylor.

The Top 2020 Junior Handler will not be presented for the 2020 standings because none of the top ten are GDCA members.

According to Canine Chronicles: 2020 Junior Handler Standings for the Great Dane Breed are:

Rank	-Junior Name-	Total Defeated

Ontl, the GDCA Awards Chairperson.

Two new awards were added this year, AKC Virtual Rally Novice and Intermediate. There were no qualifying GDCA members. These awards will be offered for the 2021 competitive year as well. The GDCA Board of Directors will reconsider in 2022.

HELPING OUR OWN

Bill Stebbins

Due to the Covid cancellations our requirements for Sweepstakes judges took a downturn in 2020. However, shows are on the rebound and we can expect more of our Helping Our Own people to be getting assignments in 2021. Good luck!!!

BREED MENTORS

Bill Stebbins

About 10 years ago the Breed Mentor Program underwent a number of substantive changes. In particular were a new application form and a signed waiver. One of the requirements approved by the Breed Mentor Committee is that any new applicants to become a breed mentor must meet the same basic requirements for an individual to apply to become a judge. Those basic requirements are a minimum of 12 years

in the breed, a minimum of five litters and a minimum of 4 champions. The AKC has now approved an alternate set of criteria in order to apply to become a judge. The GDCA Board has approved the addition of this alternate criteria for individuals wishing to become a breed mentor. Here is the new set of alternate criteria...

Applicants must have completed a minimum of four of the following requirements:

- A minimum of 15 years of involvement with Great Danes...
- Bred and raised a minimum of four litters...
- Is an AKC Breeder of Merit for Great Danes...
- Bred at least two Great Dane champions...
- Owned at least one Great Dane stud dog that sired at least 4 champions and also resided at the applicant's home while being used at stud...
- Owned and maintained for the duration four Great Danes that earned championships while residing at the applicant's home...
- Personally exhibited at least four Great Danes to their championships earning all 15 points and both Majors...
- Personally exhibited at least two Great Danes as Specials for a minimum of 2 years or 60 shows...
- How long have you been a member of the GDCA?
- Are you a member of one or more affiliate Great Dane clubs? Please list.
- Do you understand that approval of your application does not necessarily mean that your name will immediately be added to the GDCA mentors list?

Enhancements – Please list any pertinent information as to your involvement in the ancillary aspects of your experience with the breed. This would include (but not limited to) such areas as...

Dogs of your breeding that have achieved significant recognition in the show ring, as stud dogs or as brood bitches.

Significant involvement in an affiliate club or the GDCA...

Have you personally mentored individuals on the Great Dane?

What do you consider the most important accomplishment in your years with the Great Dane?

If anyone desires to become a Breed Mentor please contact me for the required paperwork.

Health & Research Committee

Dr. Darryl Pitts

OFA Echocardiograms Subsidized By GDCA Charitable Trust

We are excited to announce that the Great Dane Club of America Charitable Trust has extended the echocardiogram reimbursement program for GDCA and Affiliate club members for exams performed in 2021. Guidelines for participating are listed below. Thank you to the GDCA Charitable Trust for your continued support in promoting the health and wellness of our beloved breed.

- 1) GDCA Charitable Trust will reimburse (subsidize) OFA advanced cardiac (echocardiogram) studies for GDCA and Affiliate Club members in the amount of \$75
- 2) One echocardiogram per Great Dane
- 3) Great Dane must be one of seven acceptable colors as recognized by the breed standard.
- 4) Send a copy of receipt, OFA application, and mailing address for receipt of check to Darryl Pitts at ECHO.GDCA@gmail.com. If you are not a GDCA member, please indicate affiliate club membership.
- 5) Please allow 45-60 days for processing and receipt of check.

Assessing Gastrointestinal Viability in Canine Gastric Dilatation and Volvulus (GDV) with Real-Time Near-Infrared Fluorescence (NIRF) Quantification

The GDCA is excited to join two other large breed parent clubs in supporting the grant for this study to be conducted at the College of Veterinary Medicine, University of Florida. We look forward to the results and benefits this study may provide our breed.

Gastric dilatation and volvulus (GDV) is a common disease afflicting primarily large and giant breed, deep-chested dogs. Breeds that are commonly affected include Great Danes, Doberman Pinschers, Standard Poodles, Weimaraners, and Bassett Hounds. In this disease, the stomach dilates with gas while simultaneously rotating upon itself. As the stomach dilates, it begins to place pressure on surrounding structures within the abdomen, including several blood vessels responsible for returning blood to the heart. Additionally, the stretch of the stomach wall from the accumulated gas results in collapse of the blood vessels in the stomach wall. However, since the stomach is rotated upon itself, the entry (esophagus) and exit (small intestine) points of the stomach are blocked, preventing the gas from being relieved. Ultimately, there is reduced blood flow to the stomach, resulting in tissue death (necrosis) if prolonged. When a dog presents for GDV, emergency surgery is required in order to relieve the gas accumulation and to return the stomach to its normal position. Assessment of the health of the stomach wall is very important during surgery to ensure that there is no dead tissue that needs to be removed. At present, assessment relies on the surgeon's subjective analysis of the stomach color, thickness, and the presence of blood flow through pulsations. However, the surgeon is only able to see the outer-most layer of the stomach, whereas evidence of tissue death will first be noticeable in the inner-most layer of the stomach. Additionally, accurate assessment of the stomach is highly dependent on the surgeon's experience. Thus, although it has been reported that approximately 35% of GDV's have evidence of death of part or all of the stomach, this number is likely inaccurate. Failure to identify dead tissue and remove part of the stomach can result in devastating consequences, including leakage of stomach contents into the abdomen and death of the dog. Contrarily, some dogs are euthanized intraoperatively because they are believed to have unhealthy tissue in a part of the stomach that cannot be removed without introducing significant disease.

Ultimately, assessment of the stomach health using color, thickness, and pulsations alone can easily result in the surgeon drawing inaccurate conclusions that have serious consequences to the patient. Several studies have attempted to

use different imaging methods to differentiate healthy from unhealthy tissue, however, they are all limited in that they rely on the surgeon's subjective interpretation of the image or data. A new imaging technique, called near-infrared fluorescence (NIRF), has been validated for use in human surgery as a way to assess tissue health intraoperatively both visually and quantitatively. While NIRF has been used in some dogs with cancer, it has not yet been reported for use in the stomach of dogs. This imaging technique involves injection of a dye into the blood vessels of the patient and non-invasive imaging of the distribution of the dye in the blood vessels of the stomach. The dye has been approved for safe use by the FDA and no adverse effects from its administration have been reported in dogs. The objective of this study is to use NIRF imaging on the stomach of healthy dogs and dogs undergoing emergency surgery for GDV to determine whether it is capable of detecting unhealthy tissue both visually and quantitatively, and whether it alters the surgeon's subjective assessment of the stomach health. Therefore, this imaging modality has the potential to be the first visual and quantitative means of assessing stomach health in dogs and reducing the

devastating consequences of GDV, including failure to identify stomach tissue that needs to be removed and inaccurately assessing the stomach as unhealthy.

XRADIOS: Palliative-Intent Radiotherapy +/- XRD-0601 for Canine Osteosarcoma – College of Veterinary Medicine, North Carolina State University

Osteosarcoma is one of the major causes of death in Great Danes. College of Veterinary Medicine, North Carolina State University is conducting an innovative study of a new medicine that may benefit dogs with Osteosarcoma. The study is unique in that it does not require amputation of the affected leg. The purpose of the study is to determine whether the addition of this drug, which targets a genetic abnormality in these tumors, can increase the effectiveness of treatment over radiation therapy alone.

GDCA and GDCA Charitable Trust have donated gift cards to the primary investigator to assist with travel expenses of participants in this study.

Requirements, Incentives and Risks

Eligibility:

To be considered for enrollment, dogs must:

- Be at least 6 months old
- Be a "large" (e.g., Labrador Retriever) or "giant" (e.g. Great Dane) breed
- Have a diagnosis of osteosarcoma, made using radiographs (X-rays)
- Have not had systemically administered corticosteroids within 5 days of starting treatment (Day 0)
- Have organ function (as demonstrated on recent bloodwork) that is adequate for general anesthesia, and which permits safe use of a type of pain medication called an NSAID

Dogs are not eligible if they have:

- Had prior osteosarcoma-directed therapy (e.g., surgery, chemotherapy, radiation therapy)
- Evidence of a pathologic fracture
- A tumor at the site of a surgical implant
- A predicted prognosis of <1 month, without treatment
- Evidence of metastasis to lymph nodes (based on physical examination), or lungs (based on X-rays).

Study Benefits – Fully Funded Clinical Trial

- Free physical exams by veterinary Oncologists
- Free diagnostics including X-rays, blood and urine testing
- Free radiation therapy treatments (two sessions total)

Copy of complete study available upon request.

GDCA Irish Spotting Test Validation Study: Registration Information

GDCA is seeking Great Danes who show significant white markings to participate in a research study to assist in the validation of a genetic test for the Irish Spotting/MITF Length Polymorphism. Eligible are harlequin, piebald, merle, black mantle, merle mantle or others with white markings outside the chest or feet.

Typically, these will be dogs descended from the harlequin family. The goals of the study are to: (1) assist in the validation of VGL's MITF LP test; (2) provide owners with information useful for future breeding decisions; and (3) support development of educational material on the topic of coat color/pattern inheritance to be shared with members and non-members of GDCA. Owners will be provided with their dog's test results free of charge.

VGL's MITF LP test is not available outside this GDCA research study.

To be included in the study, the dog owner will contact the study manager, **Mary Anne Zanetos (MAZ) at MAZ850@aol.com** and provide the following information for each dog to be enrolled:

- Owner's name and contact information
- Dog's name, breed, registration number, date of birth, gender, color
- Names and registration numbers of sire and dam
- Clear profile photographs of both sides of the dog showing white markings

MAZ will review the information and if complete:

- The owner will be provided with a consent form permitting VGL, GDCA and study manager to receive MITF LP test results from VGL and to use these results, demographic information and photographs in the study report and potential publications.
- Upon receipt of these items, MAZ will contact owners, confirm receipt of the items above and enter information into the study database.

Owner will be provided with instructions on how to submit their dog's sample to University of California Davis' Veterinary Genetics Laboratory and a coupon code which confirms study entry and authorizes payment for the test by GDCA.

Please Note:

1. Results from other genetic testing by VGL will be provided to owners separately and will not be reported to GDCA.
2. Individual adult dogs are preferred.
3. In certain cases, dogs previously tested by VGL for piebald gene can be retroactively entered in the study, provided the original sample is available and the information above is submitted to MAZ.

GDCA Irish Spotting Testing Validation Study Update

As of Jan 15, 2021, we have 91 participants with complete data. It's premature to summarize, but so far the MITF-LP test results look consistent with the photos.

By Color: Mantle: N=39 29 black mantle, 10 merle mantle Harlequin: N=51 Piebald: N=1

By Age: Range: 3.5 mos to 11 years.
Average Age: 3.7 years

By Gender: Male: 34. Female: 57

Prior genetic testing (color) Yes: 40 No: 51

GDCA approved additional funding of \$1500 for this study to incorporate additional dogs with unusual colors/markings that will help validate the testing.

PERFORMANCE/COMPANION REPORT

Tracy Powell

I hope everyone is staying safe and healthy during these trying times. While we haven't been able to enjoy as many performance and companion events during the last year, hopefully we can look forward to having more events as this year progresses.

In 2020, AKC allowed for virtual titles to be earned for 2 rally classes. In 2021, AKC added virtual titles for 2 obedience classes. There are

also agility course tests and trick dog titles that can be obtained virtually. The GDCA board of directors met in January and discussed the addition of virtual companion event titles. They ruled that the GDCA will have separate rankings for virtual and trial obtained scores. One list will have scores obtained at trials and a second list for scores obtained virtually. This includes rally for 2020 and rally and obedience for 2021.

With the additional of virtual titles, the board also ruled to add GDCA annual awards for the #1 ranked virtual novice and intermediate rally (2020 and 2021) and novice obedience (2021) titled Danes for GDCA members. This ruling will be reevaluated in 2022 and may change based on if AKC is still allowing virtual titles. As a reminder, GDCA annual awards are only given to the #1 ranked Great Dane and that Dane must be owned by a GDCA member to receive the award. If the #1 Dane is not owned by a GDCA member, the annual award is not awarded.

I am incredibly grateful to the Facebook group Great Danes N Great Deeds for donating \$6000 to GDCA National performance events. The GDCA board of directors discussed this donation and ruled that the money can only be used to subsidize performance events at the national, have seminars at the national, support performance trophies at the national, and have fun runs or other performance events at the national such as setting up barn hunt and allowing people to try it out, etc.

The FastCAT GDCA annual award has been changed to the following and is reflected on the GDCA website:

Top Great Dane – FastCAT:

– FastCAT has been added to the list of annual awards starting in competition year 2019. Fastest Dane whose owner is a GDCA member gets an annual award, if there is one.

We had hoped to be able to give each titling level of FastCAT an annual award, but after contacting AKC, the only report they can provide us is "Top 20 Fastest Dog By Breed". They cannot provide us fastest dogs by breed by titling level. I am sorry for any confusion this has caused. If AKC can provide us with a report by titling level in the future, we will reassess this annual award.

Professional Handler, AKC Licensed Judge
Sadly, I need to let you know that our dear friend, and GDCC Honorary Member, Ted Nichols passed away on Sunday, January 10th. He was at home on hospice with his loving wife Judy.

Ted was 93 years old and enjoyed 33 years of marriage with the love of his life. Ted was very active in AA and celebrated 40 years of sobriety. He loved the years he spent as a professional handler, and well respected AKC judge. Later in life he and Judy bred and raised race horses, and he was the California Breeder of the Year at one time. He overcame many devastating illnesses, including cancer, but time and a failing heart called him home to heaven.

There will be no services in Virginia, but anyone wishing to send a card to Judy can do so at:

GDCA 2021 National

Wanda Hepler, Southeast National Specialty Division Chairperson

**Join Us For the 2021 GDCA National Specialty, Futurity, Top Twenty Invitational Show**

Hosted by: Southeast Division
(GDCSEFL, GDCMS, GDCCNC, GDCMF, GDCNCFL)
October 25 – 30, 2021

Sheraton Myrtle Beach Hotel and Convention Center
2101 N. Oak St.
Myrtle Beach, SC 29577

The year 2021 is upon us, Division Committees are in the process of releasing information about their committee by the end of February. All Division Rentals and Merchandise can ONLY purchase through the National Store located on the parent club website "The Great Dane Club of America." The Committees listed on this page are opening online first.

RV Parking- Brian O'Donnell brian.p.odonnell71@gmail.com Our goal this year is offering a spacious and safe RV space providing housing during your time with us. The RV Parking lot is located to left of the Convention Center. RV's now will enter the lot through a separate entrance away from the Hotel traffic making check in more efficient.

Reservations for Host Hotel -waiting list; Wanda Hepler heplerdanes@gmail.com
The Overflow hotel negotiations to establish a Group rate has begun. Once the overflow hotel has be confirmed information will be posted on GDCA website and FB page. Please email me if you wish to add your name the waiting list. Every year without fail, host hotel rooms open months before the cancellation deadline approaches.

Golf Cart Rental- Dave Heidrich, dheidrich1@gmail.com
The 4 passenger Gas powered Golf carts and Mobile Scooters are scheduled for delivery Saturday, October 23rd, 2021. Again, to reserve a golf cart or Scooter sign up through the National Store.

Vendor Rentals- Ila Minton, iminton@kforce.com
The Vendor Schedule for Set up and Move in details are emailed out after the Deadline for booth rentals have closed. The Convention Center is large enough for each Vendor to drive in, drop off and exit the Convention center.

Way and Means- Gary and Jim (2guyzquilting) are busy creating merchandise unique to the Southeast Division. The guys are diligently, researching merchants for a quality product, including various color patterns to choose from this year.

Welcome Bags- Phyllis Lyon - lyonheartdanes@msn.net
Following along with tradition, each Welcome Bag must be registered through the GDCA National Store. One Bag per person, include the date of arrival for your pickup.

Note: The Division will closely monitor South Carolina Covid-19 regulations throughout the year. Now that Vaccines are in circulation and we continue to follow CDC recommended safety measures, we can only hope the world will rebound from this horrible virus by this summer. Thank you for your support!

GDCA CHARITABLE TRUST
RITA SUDDARTH

OFA Echocardiograms
Subsidized By The
GDCA Charitable Trust
"UPDATE for 2021" **

We are pleased to announce that beginning in 2021, the Great Dane Club of America Charitable Trust will be reimbursing \$75 toward echocardiograms for **GDCA** and **Affiliate Club Members** for exams performed in 2021. Guidelines for participating are listed below. We would like to thank Darryl Pitts for taking the helm as the Gatekeeper for this program.

- 1) The GDCA Charitable Trust will reimburse (subsidize) OFA advanced cardiac (echocardiogram) studies for GDCA and Affiliate Club members in the amount of \$75.
- 2) **Limited to ONE PER DOG for either INITIAL or FOLLOW UP Echocardiogram. ****
- 3) Great Dane must be one of seven acceptable colors as recognized by the breed standard.
- 4) Echocardiograms performed at GDCA National will be excluded as they are already subsidized and offered at a reduced rate to participants.
- 5) Send a copy of receipt, OFA application, and mailing address for receipt of check to Darryl Pitts at ECHO.GDCA@gmail.com. If you are not a GDCA member, please indicate affiliate club membership.
- 6) Processing of checks will be done quarterly.

Breaking News

Covid-19 Help

Through The

Great Dane Club of America Charitable Trust

The Trustees of the Great Dane Club of America Charitable Trust want to remind you that, as in every National Disaster, we are here to offer assistance to the Fancy. Our National Disaster Relief Fund is ready and willing to distribute funds to any Great Dane owner who is in need due to Covid-19.

Our guidelines for this fund provide for financial aid to assist for the medical and sheltering needs of Great Danes in a national disaster, as well as aid to keep the family and dogs together if relocation is necessary. Job loss and illness and/or hospitalization from Covid-19 and Covid-19 like symptoms qualify for consideration.

For information or help, please contact Cathy Schaefer at dick.schaefer@gmail.com or access our application at gdca.org under the Charitable Trust, then click the "Disaster Relief Fund" Tab. You can email your application to Cathy or mail it to her at 10362 E Vail Trap Spring Ct., Tucson, AZ 85748

SCHOLARSHIP OPPORTUNITIES

The GDCA Charitable Trust is pleased to provide scholarships for students in our Great Dane community who are pursuing further education after high school and are involved in our breed. Involvement includes active participation in conformation, rescue, therapy, obedience and performance events. Further education is defined as a college, university, or an accredited vocational school.

Under the age of 18, the applicant or applicant's family must belong to the GDCA or an affiliate club. An applicant who is over the age of 18 MUST themselves be a member of the GDCA or an affiliate club.

Deadline for applying is April 1st.

The Carmody Scholarship is awarded at the discretion of Mrs. Mary Lou Carmody. No additional application is required.

ADDITIONALLY... The GDCA Charitable Trust would like to express our sincere appreciation to Mrs. Carolyn Thomas of Harmony Hill Great Danes for her generous donation of \$25,000 to the Trust. As many of you know, Carolyn & her husband Bob bred and exhibited some of the most famous Great Danes in our history, many of whom left their mark as sires or dams of great repute. We are most grateful to Carolyn, and we have established the "Bob & Carolyn Thomas (Harmony Hill Great Danes) Scholarship Fund". Per Carolyn's wishes, the monies will be held in account and disbursed as follows:

\$18,000 to be awarded as a \$1,000 scholarship to an applicant in veterinary school with an affiliation to the Great Dane community. This scholarship can be renewed annually upon application.

\$7,000 to be awarded as a \$500 grant to a Junior Handler applicant who qualifies and competes at Westminster with a Great Dane.

Please contact Sue Davis Shaw, Davisdane@comcast.net with any questions or for more information.

IMPORTANT REMINDER:

Education Grants Available to Affiliate Clubs

New research, trends, and protocols available to all Dane breeders and owners address the health, happiness, and longevity of our dogs. With many dog shows and busy calendars occupying most of our free time, we may be unfamiliar with what is available to us! The ability to attend classes or seminars is definitely impacted by our chaotic schedules and active lifestyles.

Affiliate clubs are encouraged to apply for grant monies offered jointly by the Great Dane Club of America and the Great Dane Club of America Charitable Trust set aside for the specific purpose of providing educational opportunities to its members and the Dane fancy. Perhaps there is an open date on the club calendar in which an event could be scheduled. New knowledge can only make us better dog owners for our beloved Danes, treasured members of our families.

Attached to this message is an application to request some funds for your affiliate club. We hope you will consider working an educational event into your club's busy schedule.

Great Dane Club of America, Inc.

Education Grant Application

Please attach a brief explanation of your project and include a proposed budget. Projects that include matching funds are particularly encouraged.

Any and all funds awarded by the GDCA and the GDCA Charitable Trust through the GDCA Education Grant are to be utilized exclusively to support education programs or health related projects for GDCA Affiliate Clubs and the Great Dane fancy and may not be applied to any other purpose other than those described on the application. Any variance from this agreement may result in the forfeiture of any and all funds provided and will be returned to the GDCA Charitable Trust upon request.

AKC Agility Ranking - Great Danes

December 2020

Trial dates 1/1/2020 to 12/31/2020

Agility scores as reported directly from AKC. Please check AKC website to verify your information.
 Rankings are based on Standard and Jumpers with Weaves classes only. Preferred and Regular classes are combined.
 Premier, FAST, T2B, & any other class listings are for information only.
 Ranking is calculated using the formula (QQ's x 10) + points for master/excellent class, and Average score then Average speed (yps) for other classes.
 Only dogs with more than 1 score are included in the ranking calculations.
