

Quarterly Bulletin • 2022 • Issue 3 • September 2022

PRESIDENT'S MESSAGE

Jamie Harshfield

Dear GDCA Members:

The GDCA National is quickly approaching. This year is hosted by the South Central division in Norman OK. There's still time to donate to the trophy fund or auction. Contributions may be made through the GDCA website National Store. Many thanks to all for their generous donations that help offset the cost of the GDCA National.

A reminder to those planning to attend the National, please be sure that your dogs are up to date on their vaccines. We have all heard of the recent outbreak of parvo virus in Michigan. Please take the necessary precautions to ensure your dogs safety.

I look forward to seeing you all at the National in Norman OK. Safe travels!

Jamie Harshfield
President, Great Dane Club Of America

SECRETARY'S REPORT

Denise Matulich

Ballots -The final round ballot for the 2024 National in Topeka Kansas will be coming out soon!! If you have a recent change of address please let us know so that you receive your

ballot. Don't forget to sign your ballot or your vote will not count!

Affiliate Club Rosters – If your club has recently had elections or changes to your roster, please submit your updated roster. Use the standardized form found on the GDCA web-site under the affiliate club tab to submit. We require that all clubs use this standardized form when sending in your annual rosters. The direct link is: <https://gdca.org/the-gdca/affiliate-clubs/>

Affiliate Club Specialty Approvals - As a reminder, all affiliate club specialties require a GDCA approval to gain approval from AKC. In order to obtain a GDCA approval your club's dues need to be paid and a current year roster of members and officers must be submitted along with the request which includes the dates and location of the specialty to DKMatulich@sbcglobal.net.

Please note: *It is up to the affiliate club to submit their request for GDCA approval to us. The process is not automatic and AKC does not notify us of your event application.*

Affiliate Club Specialty promotion – In an effort to promote our Affiliate clubs and their specialties, we encourage your club to send a JPEG ready flyer that can be posted to the GDCA Facebook page! We just require that your premium list is available so that anyone interested can obtain complete information regarding your show. We advise NOT using any personal phone numbers on the flyer to be posted as the page is a public forum open to all.

August 2022
NEWS UPDATES FROM THE
GDCA CHARITABLE TRUST

**PARTICIPANTS NEEDED FOR A NEW
STUDY ON EARLY DETECTION AND
RISK ASSESSMENT OF CANINE
OSTEOSARCOMA**

The COED (Canine Osteosarcoma Early Detection) study will open for enrollment at the University of Minnesota on August 22, 2022

Purpose

Osteosarcoma is a common disease of dogs, with tens of thousands of new cases diagnosed each year in the United States. This disease is treatable, but not curable. Even with the best

available standard of care, about 65% of dogs with osteosarcoma will die or be euthanized due to their disease within one year of diagnosis, more than 80% within two years, and more than 90% within three years.

The COED study (Canine Osteosarcoma Early Detection), supported by the Irish Wolfhound, Rottweiler, Great Dane, Golden Retriever, Irish Setter, and Leonberger breed foundations/clubs and by the AKC Canine Health Foundation (AKC CHF grant 03032-MOU), is designed to develop a reliable, minimally invasive blood-based test for early detection and risk assessment of canine osteosarcoma. Such a test could then be combined with strategic and rationally designed treatments to kill the tumors before they form. Since all large and giant dogs have an elevated risk of bone cancer, this work has the potential to benefit a multitude of breeds, as well as mixed-breed dogs. This study will recruit up to 400 large-breed dogs from a variety of backgrounds.

Eligibility

Dogs eligible for this study must:

- Be of one of these six breeds: Irish Wolfhounds, Rottweilers, Great Danes, Golden Retrievers, Irish Setters, and Leonbergers, **OR**:
- Be from other large and giant breeds, or large and giant dogs of mixed breeding, **weighing more than 30 kg (66 lbs.) with a body condition score less than or equal to 6 out of 9 (as attested by a veterinary health professional)**
- Be at least 4.5 years old
- Be currently healthy: no cancer, no undiagnosed "lumps or bumps" (**including inside the oral cavity**), no serious chronic health conditions – and still have their spleen
- Never have been diagnosed with any cancer
- Live in one of the contiguous 48 states of the United States of America (samples from Alaska and Hawaii and international samples, including from

Canada and Mexico, cannot be accepted due to shipping constraints)

Owners' responsibilities prior to enrollment

Owners who are interested in having their dogs participate in this study should:

1. Communicate with their veterinary clinics about the COED study. When a dog is enrolled, staff from the Modiano Lab (University of Minnesota) will send the vet clinic a sample collection kit with supplies and instructions for collecting whole blood, serum, and plasma. The samples **must** be
2. overnighted back to the Modiano Lab as indicated in the instructions and in the packaging provided, via FedEx. This means that the dog's vet clinic **must** be able to process plasma and serum in house and **must** be able to arrange to have FedEx pick up the samples the same day **for overnight shipment**. If the clinic cannot schedule a pickup for overnighting, owners **must** be able to deliver the samples to a FedEx office for overnighting on the same day the samples are collected.
3. Understand what costs sample submission may incur. There is no cost to participate in the study, and the study pays the costs for shipping the sample collection kits both ways. However, owners may incur costs from their veterinary clinic for collecting and processing the samples. In addition, there may be costs incurred for weighing the dog, determining a body condition score, measuring the dog's accurate height, filling out the paperwork, and examining the dog to attest that it is generally healthy and free from undiagnosed "lumps or bumps." For "attested to by a veterinary professional", a vet tech appointment is acceptable if that is all that is required for these services at the veterinary clinic where the dog will be examined and the samples will be obtained. For questions, the clinic staff can contact the Modiano Lab (+1-612-626-8452) or Dr. Modiano directly (modiano@umn.edu).

Enrollment

Once interested owners have determined that they are able to submit the samples as described above, they can visit the link below to fill out a short eligibility questionnaire for their dog:

<https://z.umn.edu/COED>

The eligibility questionnaire must be filled out in its entirety for each dog enrolled. The questionnaire will show an alert if the dog does not meet the eligibility requirements or if questions have been left unanswered. When the dog's owner or responsible individual completes a questionnaire for an eligible dog, they will receive an automated email to confirm that answers have been recorded and an email or phone call will follow for scheduling.

NOTE: If you believe you have completed the questionnaire but didn't receive an automated email, be sure to check your spam or junk folders.

Enrollment will be randomized, so every owner who completes a request during the open enrollment phase will have the same probability of being selected. At this time, enrollment requests are expected to be accepted starting on (or about) August 22, 2022, and at least through the end of December of 2022.

Scheduling

The study is expected to enroll new cases for at least 18 months after it opens. The health of enrolled dogs will be monitored with periodic emailed surveys for at least 1-1/2 years thereafter, and, ideally, for the duration of the participating dog's lifetime. To maximize the likelihood of success of this project, it will be imperative for owners to return the surveys promptly. **Due to shipping constraints and the number of samples per week that the study can process**, it is important for owners to be patient as they wait for contact to schedule their enrolled dogs.

When contacted, owners will be asked to make their appointment at their vet clinic early in the day on one of the dates offered by the Modiano Lab staff, which will be on a Monday, Tuesday, or Wednesday. In order that the limited weekly slots for samples can be filled, owners should

please make appointments ASAP and **confirm that they have made their appointment in an email reply which should include the vet clinic's shipping information: contact name at the clinic, clinic name and address, and clinic phone number**, which the Modiano Lab staff will need to send sample collection materials. If any owner is unable to schedule an appointment for any of the dates offered, the Modiano Lab staff will make every effort to continue working with them find one that does.

A consent form will be attached to the contact email. Owners will need to fill it out completely, **initialing the bottom of each page**, and signing the last page. They must then take it with them to the sample collection appointment, give it to the vet or tech collecting the samples to sign and date the last page, and ask them to include the entire form with the samples.

NOTE: The COED Study is **not intended as a diagnostic for disease**. It is an experiment to determine whether the blood/plasma/serum test can be used as a tool for early detection and risk assessment of osteosarcoma. Neither owners nor veterinarians will receive a diagnostic report.

**OFA Echocardiograms
Subsidized By The
GDCA Charitable Trust
"UPDATE for 2022" ****

We are pleased to announce that the Great Dane Club of America & The Great Dane Club of America Charitable Trust are continuing the \$75 reimbursement for echocardiograms for **GDCA** and **Affiliate Club Members** for exams performed in 2022. Guidelines for participating are listed below. We would like to thank Darryl Pitts for taking the helm as the Gatekeeper for this program.

- 1) The GDCA Charitable Trust will reimburse (subsidize) OFA advanced cardiac (echocardiogram) studies for GDCA and Affiliate Club members in the amount of \$75.
- 2) **Limited to ONE ECHO PER DOG EACH YEAR for either INITIAL or**

FOLLOW UP Echocardiogram. ** (Updated April 2022)

- 3) Great Dane must be one of seven acceptable colors as recognized by the breed standard.
- 4) Echocardiograms performed at GDCA National will be excluded as they are already subsidized and offered at a reduced rate to participants.
- 5) Send a copy of receipt, OFA application, and mailing address for receipt of check to Darryl Pitts at ECHO.GDCA@gmail.com. If you are not a GDCA member, please indicate affiliate club membership.
- 6) Processing of checks will be done quarterly. We would appreciate it if you could be timely in cashing your checks. Thank you.

**Breaking News
Through The
Great Dane Club of
America
Charitable Trust**

Covid-19 Help

The Trustees of the Great Dane Club of America Charitable Trust want to remind you that, as in every National Disaster, we are here to offer assistance to the Fancy. Our National Disaster Relief Fund is ready and willing to distribute funds to any Great Dane owner who is in need due to Covid-19.

Our guidelines for this fund provide for financial aid to assist for the medical and sheltering needs of Great Danes in a national disaster, as well as aid to keep the family and dogs together if relocation is necessary. Job loss and illness and/or hospitalization from Covid-19 and Covid-19 like symptoms qualify for consideration.

For information or help, please contact Cathy Schaefer at dick.schaefer@gmail.com or access our application at gdca.org under the Charitable Trust, then click the "Disaster Relief Fund" Tab. You can email your application to Cathy or mail it to her at 10362 E Vail Trap Spring Ct., Tucson, AZ 85748

HELPING OUR OWN - 3rd Quarter 2022*Bill Stebbins*

I want to thank all of the affiliate clubs who are now using the Helping Our Own program to obtain their Sweepstakes judges. Sweepstakes assignments are cherished by those planning to apply for Great Danes. The intent of our program is to try to help our own Dane breeders. One of newest affiliates in the GDC of Southeast Florida. They have started to use Helping Our Own.

For GDCA members who are planning to apply to become a breeder-judge I would encourage you to have your name listed on the GDCA website which can then be assessed by the club when they need a Sweepstakes judge.

If you wish to see the current list go to the GDCA website. On the horizontal list of titles click on "SHOWS". A pop-up menu comes up. Click on the term Sweepstakes Judges.

If you wish to have your name added to the Helping Our Own list please send me you name, kennel name and contact info.

BREED MENTORS - 3rd Quarter 2022*Bill Stebbins*

Hi everyone,

I hope this column finds everyone well. I am pleased to tell you that two more individuals are in the process of completing the application forms to become breed mentors for the GDCA. Many individuals who have a passion for our breed and also an intense knowledge have probably seen situations where a new Dane person has simply not started with the "right" breeder. The result of this situation is often that the newbie continues to get advice and guidance from the breeder of their first dog and the sport becomes less than a pleasant experience. On the other hand those who receive good guidance from the beginning usually find the sport of dogs to be rewarding. I encourage those who are interested in helping judges who are going to apply for Great Danes as well as new Dane owners who are looking for guidance to apply to become a breed mentor. The primary qualifications to become a mentor are the same as those required to become a judge... a minimum of 12 years in the breed, a

minimum of 5 litters and a minimum of 4 champions. Most of our mentors have significantly larger numbers than these minimums. Helping new judges has always been a primary area requiring our breed mentors. The current judge's approval system for additional breeds is allowing individuals to be approved for 20 or more breeds on a single application. IMHO I do not believe that many individuals are able to truly learn this many breeds at one time. Consequently we have new Dane judges who might make selections that are not necessarily what the GDCA, mentors or breeders might want to see. I receive messages from Dane breeders relating some horror stories about comments made to them by a new Dane judge. If you are qualified and interested in trying to help the future of our breed, please consider becoming a mentor.

Please contact me the application information.

PERFORMANCE/COMPANION EVENTS COMMITTEE*Tracy Powell*

Our National Specialty is only a month away. I'm looking forward to all the events, but especially the companion events and the Obedience/Rally/Agility Invitionals. I wish all of the exhibitors the best of luck! Please remember that Wednesday after agility (around 3:30 pm) we will have the Performance Annual Awards and Invitational Awards Ceremony. Right now it is scheduled in the hospitality room, but please check posters at the National for updated information about the time and place. I encourage all exhibitors, friends, and companion event supporters to stop by the ceremony. We will offer refreshments and hors d'oeuvres/desserts.

We are looking for donations for the performance raffle table. Contact myself or Barb Bristol to donate items for the raffle. Please support the raffle, both with donations and buying tickets.

Remember to make trophy donations for agility, rally, or obedience. You can do so on the GDCA website (gdca.org) under the national store/trophy donations. Do so by September 1 to be included in the catalog.

I would like to thank the division and especially Barb Bristol for her hard work organizing companion events at this year's National Special

HEALTH & RESEARCH COMMITTEE

Dr. Daryl Pitts

Echocardiogram Reimbursement Project

1) The GDCA Charitable Trust will reimburse (subsidize) OFA advanced cardiac (echocardiogram) studies for GDCA and Affiliate Club members in the amount of \$75.

2) Limited to ONE PER DOG for either INITIAL or FOLLOW UP Echocardiogram. **

3) Great Dane must be one of seven acceptable colors as recognized by the breed standard.

4) Echocardiograms performed at GDCA National will be excluded as they are already subsidized and offered at a reduced rate to participants.

5) Send a copy of receipt, OFA application, and mailing address for receipt of check to Darryl Pitts at ECHO.GDCA@gmail.com. If you are not a GDCA member, please indicate affiliate club membership.

6) Processing of checks will be done quarterly. We would appreciate it if you could be timely in cashing your checks. Thankyou.

2022 Reimbursements to date:

1st quarter 2022 – 21 echocardiograms

2nd quarter 2022 – 21 echocardiograms

Irish Spotting Gene Study

Mary Ann Zanetos is working through final submissions for the study and reconciliation of

data received to complete the GDCA database of dogs enrolled in the study.

Assessing Gastrointestinal Viability in Canine Gastric Dilatation and Volvulus (GDV) with Real-Time Near-Infrared Fluorescence (NIRF) Quantification - Dr. Kaitlyn Mullen, University of Florida

Research team has obtained 19 of the 20 GDV cases as proposed for the study. They will be completing the desired controls and have started data acquisition for those cases. They are still on track to have all data by the end of this year. Dr. Mullen is working on an abstract for presentation of their results at their national surgery conference (ACVS) in October. They haven't completed statistical analyses yet, however, they have had several of the GDV cases where the viability of the stomach was very questionable grossly. The NIRF (Near Infra Red Fluorescence) showed no microvascular perfusion and histopathology confirmed necrosis. Thus, subjectively, it appears to help with extent of tissue resection in these cases. It appears promising that the quantitative numbers that the system is showing will also be of benefit once they perform statistical analysis.

AKC Canine Health Foundation - Donor Advised Funds – AKCCHF.com

The GDCA and GDCA Charitable Trust have combined donations to become 'Champion Sponsors' of the *AKC Canine Health Foundation's Bloat Initiative*. The Charitable Trust approved our proposal to match our funding with a \$25,000 donation. Each of our logos are listed among the Champion Sponsors on the AKC CHF website. The GDCA also made \$2500 contributions from our donor advised funds to the *Hemangiosarcoma Initiative* and to each of the two grants that were presented in the previous bulletin. We will share any updates on all topics as they are received.

GDCA 2021 ANNUAL AWARDS*Margaret Ontl*

Since the last bulletin the following Award Certificates have been requested and sent:

Register of Merit-8
Versatility-7
Hall of Fame-5
Venerable-3
Duplicates-2

All of the GDCA Annual Awards have been produced and will to be shipped directly to Norman, OK. Any that are not picked up during the show will be sent to the recipients afterwards.

MEMBERSHIP*Lynda Moriarty*

Letters concerning the approval or disapproval of applicants should be directed in writing to:

Lynda Moriarty
4496 Gosey Hill Road
Franklin TN 37064

The following applicants have been approved by the Membership Committee for publication in the GDCA Bulletin. The Membership Chairman must receive comments concerning these applicants during the forty-five (45) day period following publication.

Any comments received after
November 10, 2022 will not be
accepted.

**Hosted by: South Central Division**

(ALAMO GDC, GDC OF GREATER DALLAS, GDC OF GREATER HOUSTON, HEART OF TEXAS GDC,
GDC OF OKLAHOMA, LOUISIANA GDC, GDC OF EL PASO)

October 9-15, 2022

**Embassy Suites Hotel and Conference Center
Norman, Oklahoma**

**2022 SOUTH CENTRAL DIVISION COMMITTEE MEMBERS
and Key Contacts**

GDCA 2022 National

Our Great Dane loving volunteers have been working behind scenes to make this SCD 2022 year packed full of good things and a fun filled event.

Welcome Party

KICKING OFF, Sunday, October 9, 2022

Dust off your hats and boots! Come out to the "Diamonds & Denim – Cowboy Masquerade"
Lite food served from a pasta bar and a carving station for beef sliders to start... A cash bar, and a signature drink benefit will be offered.

Heart of Texas Great Dane Club has sponsored the Texas Country Band, to warm up the dance floor.
Best dressed will be presented with a fine bottle of Spirits, to boot!

Because we care, we want you to have a "Great Dane Time" ... Showing, judging by experienced judges, expert cardiologist, education seminars, and fun raffles, all for the love of showing and owning this wonderful breed we all love.

We are grateful for all the volunteers, sponsors and donors that have given to help us this year..... the generosity and support always make it all possible.

However, much more is needed from you. Please, let's all "dig in" to donate auction items, raffle room items. We are slow on trophy donations that helps support the beautiful trophies and lovely ribbons.

A special trophy raffle, offering the chance to win a set of 3 pewter puppies and jewelry by G&G when you donate a \$100.00 or more you get a entry to this draw, and we need all your support. See Ya'll soon!

Dane fully,
Joyce Rowe – SCD Chair

GDCA National Specialty Sponsorship Program (South Central Division)*Debi Romerosa***Sponsorships**

We would like to thank everyone for their continued support as Sponsors for the 2022 National. We appreciate you and your contributions to make it a successful event. Information can be found on the GDCA website gdca.org, click on National Store, and Sponsorships.

If you have any questions, feel free to contact me anytime.

For our Sponsors, please check in with me when you arrive for your welcome bags and reserved seats.

See you in Oklahoma!

Debi Romerosa**GDCA National Specialty Sponsor Chairperson**debiromerosa@verizon.net

Top Twenty*Memory Armstrong, GDCA National Top Twenty Coo*

We are looking forward to seeing everyone at Top Twenty in Oklahoma in October. Our judges are excited about the competition, ribbons and pins are ordered, and the catalog is getting ready to go to the printer.

Plans for the production are being completed and we are anticipating a wonderful evening.

Good luck to all our competitors! See you in October!

COED

CANINE OSTEOSARCOMA EARLY DETECTION AND RISK ASSESSMENT

Participants are needed for a study of the early detection and/or risk assessment of osteosarcoma in giant and large breed dogs. This study is taking place at the University of Minnesota under the direction of Dr. Jaime Modiano and his team.

<https://z.umn.edu/COED>

This study is an exciting collaboration of 6 different breed clubs along with the AKC Canine Health Foundation. Your Great Dane Club of America Charitable Trust is one of the stake holders. We are hoping the Dane family will enthusiastically support this study as bone cancer is truly a pariah to our beloved giant breed.

WHO CAN JOIN THIS STUDY?

- Dogs weighing 66 pounds or more.
- Dogs who are 4.5 years or older.
- Dogs who are currently healthy and have never had any cancer diagnosis.
- Dogs with no "lumps" or tumors anywhere.

Need Help / Have Questions?.....joydegruccio1@gmail.com

IMPORTANT REMINDER:

Education Grants Available to Affiliate Clubs

New research, trends, and protocols available to all Dane breeders and owners address the health, happiness, and longevity of our dogs. With many dog shows and busy calendars occupying most of our free time, we may be unfamiliar with what is available to us! The ability to attend classes or seminars is definitely impacted by our chaotic schedules and active lifestyles.

Affiliate clubs are encouraged to apply for grant monies offered jointly by the Great Dane Club of America and the Great Dane Club of America Charitable Trust set aside for the specific purpose of providing educational opportunities to its members and the Dane fancy. Perhaps there is an open date on the club calendar in which an event could be scheduled. New knowledge can only make us better dog owners for our beloved Danes, treasured members of our families.

Attached to this message is an application to request some funds for your affiliate club. We hope you will consider working an educational event into your club's busy schedule.

Great Dane Club of America, Inc.

Education Grant Application

Please attach a brief explanation of your project and include a proposed budget. Projects that include matching funds are particularly encouraged.

Any and all funds awarded by the GDCA and the GDCA Charitable Trust through the GDCA Education Grant are to be utilized exclusively to support education programs or health related projects for GDCA Affiliate Clubs and the Great Dane fancy and may not be applied to any other purpose other than those described on the application. Any variance from this agreement may result in the forfeiture of any and all funds provided and will be returned to the GDCA Charitable Trust upon request.
